WAR OFFICE,  
29th November, 1915.

HIS Majesty the KING has been graciously pleased to approve of the award of the Distinguished Conduct Medal to the undermentioned Warrant Officers, Non-Commissioned Officers and Men for acts of gallantry and devotion to duty whilst serving with the Expeditionary Forces in France and Flanders, the Dardanelles, and East Africa :—

73741 Private H. B. Compton, 28th Canadian Infantry Battalion.

For conspicuous bravery on the 8th October, 1915, in front of Wytschaete. The enemy exploded mines, and Private Compton was buried under the debris. On being dug out, he immediately volunteered to go forward as a member of a party of bombers, and assisted in bombing the enemy from the crater in which they were advancing. He also assisted, under heavy shell and machine-gun fire, to dig out four men who had been buried by the explosion, thus helping to save their lives. Throughout the action his courage, resource and devotion to duty were most marked.

69805 Serjeant W. C. Ryer, 26th Canadian Infantry Battalion.

For conspicuous gallantry on the 13th October, 1915. During a reconnaissance of a German crater Serjeant Ryer carried another Serjeant, who was mortally wounded, until the latter died, when he returned to the crater and with the assistance of another man, carried back a second man. This was performed under heavy cross fire from machine guns and rifles. He gave a fine example of bravery and devotion to duty. 27-1

Wednesday, the 8th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS there are in British Columbia a considerable number of persons of Chinese origin without employment, who, in view of the war conditions, do not feel justified in returning to their native land on account of the possibility of being unable to return within the statutory limited period of twelve months, but, who, if leave of absence period were extended, might return to China on extended visit, thus relieving the present unemployment conditions,—

Therefore His Royal Highness the Governor General in Council, by reason of the war and for the welfare of Canada, is pleased to make and doth hereby make the following Order under Section 6 of The War Measures Act of 1914.

"All Chinese who register out between January 1st, 1916, and June 30th, 1916, may prolong their return to Canada without in any way affecting their right to free re-entry until six months after a proclamation has been published in the *Canada Gazette* declaring that war no longer exists."

AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 9th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS by Orders in Council of the 8th May, 1915, and 20th September, 1915, authority was given to apply the provisions of clauses 22 and 23 of The Dominion Lands Act, to any body or force of men who have served or are now serving, or who may hereafter serve with any of the forces of Great Britain, or any of the Allies of Great Britain, in the present war with Germany and Austria, or with any of the Allies of these countries, and to any member of any such body or force, whether he is a British subject by birth, or naturalization, or is an alien;

And whereas it has been held that the said clauses 22 and 23 of The Dominion Lands Act only apply to those persons who had made entries for Dominion Lands prior to enlistment or, in the case of reservists, prior to the date when they were recalled for active military service, and that consequently, any person who made entry for Dominion Lands after enlistment or after the date of his recall as aforesaid, would come under the provisions of subsection 1, of section 13 of The Dominion Lands Act, which sets forth that no entry, which is not perfected within twelve months from the date thereof, shall be protected from cancellation for any further period of time;

And whereas the Minister of the Interior is of the opinion that while it might not be in the public interest to extend the benefit of clauses 22 and 23 of the Act to settlers taking up entries after enlistment, or after the date of their call to the colours, it would not be advisable to allow the entries of such settlers to be cancelled during their absence on active military service,—

Therefore the Governor General in Council, under and in virtue of the provisions of section 6, chapter 2, 5 George V, is pleased to grant and doth hereby grant authority to protect the entry of any person who, being a member of any body or force serving as aforesaid with the forces of Great Britain or of any of her Allies during the present European war, and who secured such entry after enlistment, or after the date of his recall for active service, such protection to hold good during the continuance of such service, and for a period not exceeding three months after his discharge from the military force with which he has been serving.

Clerk of the Privy Council.

27-4 RODOLPHE BOUDREAU,

[3015]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1915, from the Minister of the Interior, stating that, pursuant to the authority of an Order in Council dated the 26th day of June, 1906, an agreement was executed for the sale to the Robins Irrigation Company of 380,573 acres of land, comprising the estimated vacant and available area within a tract described in the said agreement.

That on the 26th day of December, 1906, the Authority of Council was given for the transfer of the right and interest of the Robins Irrigation Company in the aforesaid agreement to The Southern Alberta Land Company, Limited, and such transfer was duly made.

That in the first selection of lands made by The Southern Alberta Land Company, Limited, under the aforesaid agreement, there was included the northeast quarter of Section Twenty-two (22), Township fifteen (15), Range seven (7), west of the Fourth Meridian and the northeast quarter of Section thirty-four (34), Township fourteen (14), Range eight (8), west of the Fourth Meridian. Both of these quarter sections were then held under homestead entry and, therefore, the company's selection was not confirmed. These lands were never occupied by the entrants and the entries have since been cancelled.

The Southern Alberta Land Company, Limited, have reported that the Canadian Wheatlands, Limited, who are under contract to purchase certain of their lands, acting under the erroneous assumption that these two quarter sections had been purchased by The Southern Alberta Land Company—had cultivated and cropped portions thereof. This information has been verified by an inspection made by the Superintendent of Irrigation ; also by a homestead inspector's report, which shows that all of both quarter sections had been broken and cultivated.

Portions of both these quarter sections are irrigable from the works now under construction and in order to protect the improvements made thereon by the Canadian Wheatlands, Limited, the Southern Alberta Land Company, Limited, have requested permission to acquire these two quarter sections in exchange for the north half of Section seventeen (17), Township fourteen (14), Range seven (7), west of the Fourth Meridian previously selected by them as part of the aforesaid 380,573 acres.

The lands which the Southern Alberta Land Company, Limited, desire to acquire are vacant and available for disposition and do not exceed in value the lands which they desire to relinquish.

The Minister, therefore, recommends that the Southern Alberta Land Company, Limited, be permitted to select the northeast quarter of Section twenty-two (22), Township fifteen (15), Range seven (7), west of the Fourth Meridian and the northeast quarter of Section thirty-four (34), Township fourteen (14), Range eight (8), west of the Fourth Meridian as part of the area to be purchased by them under the aforesaid agreement and to relinquish the north half of Section seventeen (17), Township fourteen (14), Range seven (7), west of the Fourth Meridian, and that the last mentioned half section be made available for other disposition.

The Committee concur in the foregoing recommendation and submit the same for approval.

27-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

[3019]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of December, 1915.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1915, from the Minister of the Interior, submitting that the Grand Trunk Pacific Railway and Development Company, Limited, now the Grand Trunk Pacific Development Company, Limited, with a view to acquiring the southeast quarter of section 16 in Township 45, Range 7, west of the Fourth Meridian for townsite purposes paid the entrant thereof sixteen hundred dollars to execute a quit claim deed of the quarter-section in favour of the Company. After filing this quit claim deed in the Department of the Interior the Company found that it could not use this land for townsite purposes and the Department, therefore, decided that the Company should not be allowed to acquire the land.

The Minister states that, as the entrant refused to refund the money paid to him by the company, the Department of the Interior agreed to allow the company to acquire this land in exchange for the southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian which had been transferred to the company for townsite purposes. The company thereupon reverted the latter parcel in the Dominion.

The Minister further states that the said southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian along with other lands had been transferred to the Grand Trunk Pacific Town and Development Company for townsite purposes under authority of an Order in Council of the 2nd January, 1908, which authorized the Minister of the Interior to convey the lands to the Company and to enter into an agreement with respect thereto whereby one-fourth of the net proceeds realized from the sales, rentals or other dispositions of the lands should be paid to the Government.

The Minister, therefore, recommends that he be authorized to convey the southeast quarter of Section 16, Township 45, Range 7, west of the Fourth Meridian to the Grand Trunk Pacific Development Company, Limited, in exchange for the said southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian and to enter into an agreement, in the form of the draft agreement hereto annexed, with the Grand Trunk Pacific Railway Company and the Grand Trunk Pacific Development Company, Limited, whereby one-fourth of the net proceeds realized from the disposal of the said southeast quarter of Section 16, Township 45, Range 7, west of the Fourth Meridian or of any portion thereof shall be paid to the Government.

The Committee concur in the foregoing recommendation and submit the same for approval.

27-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 16th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report dated 25th November, 1915, from the Minister of the Interior, stating that Mr. John Thomas Moore, of the City of Toronto, in the Province of Ontario, is the lessee, under Coal Mining Lease No. 372 dated the 9th February, 1911, of the coal mining rights under certain Dominion lands, namely Legal Subdivisions 2, 3, 6 and 7 of section 33 and Legal Subdivisions 14, 15 and 16 of section 28, lying west of the Saskatchewan river in Township 39, Range 7, west of the 5th Meridian, in the Province of Alberta, the said lease being for the term of twenty-one years computed from the 28th day of October, 1910 :

The Minister further states that Mr. Moore, as the holder of the said Coal Mining Lease No. 372, has complained that irresponsible persons are in the habit of taking coal without authority from the foreshore lands of the said Saskatchewan river adjoining the lands held by him and thereby exposing his mine to the risk of being flooded ; and, for the purpose of protecting the said mining property, has applied for a license of occupation of the said foreshore lands, the same being more particularly described as follows :—

That portion of Legal Subdivision 15 of Section 28 and those portions of Legal Subdivisions 2 and 7 of Section 33, Township 39, Range 7, west of the 5th Meridian which lie between the high and the low water marks of the said river and which are not included in the said Coal Mining Lease No. 372,—

The Minister recommends, in view of the above circumstances, that he be authorized to issue a license of occupation for the said foreshore lands to the said John Thomas Moore the consideration being the nominal sum of one dollar payable on or before the execution of the license, the said license to be appurtenant to and to run concurrently with the said coal mining lease or any renewal thereof and to determine when the said lease determines, but to be subject nevertheless to the proviso that no exclusive right of entry, occupancy or use shall be granted by the said license but only such rights of entry, use or occupation as may in the opinion of the Minister, be required from time to time for the purposes aforesaid and subject also to the further proviso that the said license shall be cancellable at the will of the Minister.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 16th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS the Fishery Regulations for the Provinces of Manitoba, Saskatchewan and Alberta and the Territories north thereof, have prohibited sturgeon fishing therein for a period of four years ending on the 31st December, 1915 ;

And whereas these regulations also provide that when fishing is resumed, it may be carried on throughout the year, with the exception of the short close season from the 15th May to the 15th June, with gill-nets having meshes not less than fourteen inches, extension measure, and with baited hooks ;

And whereas during the past summer, the Department of the Naval Service has had investigations made

by the local inspectors of fisheries to ascertain if sturgeon are now sufficiently plentiful to warrant the resumption of fishing for them after the end of the present year and, if so, whether the existing regulations are adequate ;

And whereas these officers have reported that the present regulations are not adequate, but that with proper regulations fishing might safely be resumed ;

And whereas they are of opinion that the fishing season should be restricted to a few months each year, and that as the roe of sturgeon from which the valuable caviar of commerce is produced, is usually lost altogether if fishing is carried on during the winter, the season should be limited to the portion of the warm weather period beginning on the 16th June and ending on the 15th October ;

And whereas they have also ascertained that the sturgeon of lake Winnipeg grow larger than those in the other waters of these provinces ; but that even in lake Winnipeg fishing could not be carried on profitably with nets having meshes larger than 12 inches, extension measure, and in the other waters with nets having meshes larger than 11 inches extension measure ;

And whereas the responsible officers of the Department of the Naval Service, who deal with the administration of the fisheries, agree with the opinions of local Inspectors of Fisheries and recommend that the existing regulations be modified accordingly and the Minister of the Naval Service concurs in this recommendation,—

Therefore His Royal Highness the Governor General in Council, under and in virtue of the provisions of section 45 of the Fisheries Act, 4-5 George V, chapter 8, is pleased to order and it is hereby ordered as follows, viz :—

Sections 10, 32 and 38 of the Special Fishery Regulations for the Province of Manitoba, adopted by Order in Council of the 9th February, 1915, and

Sections 10, 17 and 21 of the Special Fishery Regulations for the Provinces of Saskatchewan and Alberta and the Territories north thereof, also adopted by Order in Council of the 9th February, 1915 ;

Are rescinded, and the following regulations are substituted in lieu thereof, viz :—

#### STURGEON.

1. No one shall fish for, catch or kill sturgeon otherwise than by means of gill-nets or baited hooks.

2. (a) A sturgeon fishing license for commercial fishing shall authorize the use of not more than 500 yards of gill-net or 500 baited hooks. The fee on such license shall be \$5.00.

(b) A sturgeon fishing permit for domestic fishing shall authorize the use of not more than 100 yards of gill-net or 50 baited hooks.

3. (a) The mesh of a sturgeon gill-net used for fishing in lake Winnipeg, Manitoba, shall not be less than twelve inches, extension measure, and the mesh of such net used for fishing in any other waters of the Provinces of Manitoba, Saskatchewan, Alberta and the Territories north thereof, shall not be less than eleven inches extension measure, as used in fishing.

(b) The lines to which baited hooks are attached shall be fastened to the back line at intervals of not less than three feet.

4. No sturgeon fishing for commercial purposes shall be allowed in the Winnipeg river, Manitoba, above a line drawn across it from Papineau's mill to Sproule's Point, which line is about one-half mile below Pine Falls.

5. No sturgeon weighing less than eighteen pounds undressed, shall be retained, and any sturgeon weighing less than eighteen pounds undressed shall be immediately returned alive and if possible uninjured to the waters from which it was taken by the person catching it.

6. Penning, tying up, or tethering sturgeon is prohibited.

7. Under a sturgeon fishing permit for domestic use, not more than three sturgeon per week may be taken. When such number has been captured under any one permit in any one week, the gill-net or baited hooks, as the case may be, authorized by it to be used

shall be removed from and kept out of the water for the remainder of that week.

8. No one shall fish for, catch, kill or sell any sturgeon from the 16th day of October in any year to the 15th day of June following, both days inclusive."

Asst. Clerk of the Privy Council.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, dated 7th December, 1915, representing that Messrs. T. S. Hall and Charles Damaske, of New Westminster, have made application to the Department of the Interior for a lease of that portion of Sections 5, 6, 7 and 8, in Township 3, Range 28, west of the 6th Meridian, comprising the submerged bed of Cheam Lake, in the Railway Belt, in the Province of British Columbia, for the purpose of pumping or dredging therefrom a deposit of disintegrated lime to be used for fertilizing purposes ;

The Minister observes that the Deputy Minister of the Department of Agriculture for the Province of British Columbia, in a communication dated the 27th of February, 1912, stated that he fully concurred in the representations made that there was a great desirability for a supply of crushed rock lime at reasonable prices for agricultural purposes, and that this was the best form in which it could be used ;

The Minister states that it would appear that a grant has been made by the Provincial authorities of 300 miner's inches of water from Cheam Lake for domestic and power purposes, and that entries have been granted for two mineral claims covering a portion of the bed of this lake,—

In view of the demand which would appear to exist for lime to be used for agricultural purposes, the Minister recommends that he be authorized to grant permission to Messrs. T. S. Hall and Charles Damaske to remove by pumping or dredging this deposit of disintegrated lime from the bed of the lake, upon the following conditions :—

1. The term of the lease to be five years and the rental, at the rate of twenty-five cents an acre per annum, payable yearly in advance.

2. The lease to be subject to any rights already granted of the waters of the lake or the minerals in the bed thereof.

3. The lessee to instal, within one year from the date of the lease, machinery and equipment for the pumping or dredging of this deposit to the value of at least \$2,500.00, and to furnish satisfactory evidence of the installation of such machinery and equipment within the time specified.

4. That during each year of the term of the lease, the lessee shall operate the rights granted him with reasonable diligence, and shall during each year produce ready for disposal or shipment not less than 1,000 tons of the deposit referred to and shall furnish satisfactory evidence of such production.

5. The lessee shall not divert or remove from the lake any of the waters thereof, his rights to be confined to the removal by the above process of the deposit of lime represented to be in the lake.

6. Failure to comply with any of the conditions set out in the lease shall render that instrument subject to immediate cancellation in the discretion of the Minister of the Interior.

The Committee concur in the foregoing and submit the same for approval.

Clerk of the Privy Council.

And whereas it has since been represented by the Department of Indian Affairs that owing to there being two sections numbered "36" adjoining each other at this point, the Indians made a mistake in describing Sections 35 and 26, in Township 51, Range 1, west of the 3rd Meridian, as being required as part of the land applied for by them, in exchange for the lands they had surrendered, instead of :—

"All of Fractional Section 36, and that portion of Section 25, lying north of the Sturgeon Lake Indian Reserve, No. 101, and of the production easterly of the Northern Boundary of the said Reserve, containing five hundred and twenty-eight and twenty hundredths acres" ;

Clerk of the Privy Council.

[P. C. 2805]

CERTIFIED COPY of a Report of the Committee of the Privy Council, approved by His Royal Highness the Governor General on the 1st December, 1915.

THE Committee of the Privy Council have had before them a report, dated 27th November, 1915, from the Minister of the Interior, representing that an application has been recently made to the Department of the Interior by Captain Joseph Elzear Bernier, of the Village of Lauzon, in the County of Levis, in the Province of Quebec, to purchase two parcels of unsurveyed land in the Arctic Seas, one of which parcels of land is situated at Button Point, on Bylot Island, in Baffin Bay, containing 30 acres, upon which he has a house which he purchased in 1910 from Mr. Robert Kinnes, of Dundee, Scotland, and the other on Baffin Island at the junction of the Salmon River with Pond Inlet, containing 60 acres, upon which latter parcel of land he has erected two houses. Both of these parcels of land have been occupied during the past few years by the applicant, or his agents, as fishing stations and trading posts.

The lands applied for may be described as follows:—

*Firstly: Parcel No. 1.*—Being a tract of unsurveyed land known as Button Point, on Bylot Island, in Baffin Bay, in the Arctic Seas, in the Dominion of Canada, in approximate north latitude of seventy-two degrees and fifty-three minutes and approximate west longitude of seventy-six degrees and fifteen minutes, and which may be more particularly described as follows:—Bounded on the north by a line drawn due east and west through a point in a line drawn due north from the house erected on the said tract by one Robert Kinnes, of Dundee, in that part of Great Britain known as Scotland, and purchased from the said Robert Kinnes by the said Joseph Elzear Bernier under an assignment dated the 25th day of February, A.D. 1910, and which is on file in the Department of the Interior, the said point being distant fifteen chains due north from the said house; bounded on the east and west by lines drawn at right angles to the said northern boundary and ten chains perpendicularly distant on either side from the above described north line, and extending southerly to the shores of said Bylot Island, and bounded on the south by the south shore of the said island, and containing by admeasurement thirty acres, more or less.

*Secondly: Parcel No. 2.*—Being a tract of unsurveyed land on Baffin Island, at the mouth of Salmon River, on the south shore of Pond Inlet, in the said Arctic Seas, in an approximate north latitude of seventy-two degrees and forty-one minutes and approximate west longitude of seventy-eight degrees and fifteen minutes, and which may be more particularly described as follows:—Bounded on the south by a line drawn on an astronomical bearing of north sixty-seven degrees and thirty minutes west, and south sixty-seven degrees and thirty minutes east through a point in a line drawn on an astronomical bearing of south twenty-two degrees and thirty minutes west from the intersection of the centre of the mouth of the said Salmon River with the high-water mark of the south shore of the said Pond Inlet, the said southern boundary being at a distance of thirty chains measured along the said line having a bearing of south twenty-two degrees and thirty minutes west; the eastern and western boundaries of the said parcel being lines drawn at a distance of ten chains and on either side of and parallel with the aforescribed line having a bearing of south twenty-two degrees and thirty minutes west, and the northern boundary of the said parcel being the said southern shore of Pond Inlet, and containing an area of sixty acres more or less, the said parcels numbered one and two being approximately indicated in red on the Map of Surveys and Discoveries in the Arctic Regions, with Additions and Changes to 1911 on Coast of Baffin Island by J. T. E. Lavoie, C.E., hereto attached.

The Minister states that Captain Bernier has made a solemn declaration before the law clerk of the Department of the Interior to the effect that no one except himself has any claim to the parcels of land above referred to and that they are not occupied by any other person except by his permission.

The Minister is of the opinion that, under the circumstances, the application should be favourably considered.

The Minister therefore recommends that the lands above described be sold to the applicant at the rate of \$1.00 an acre, and that upon payment therefor being remitted to the Department of the Interior, letters patent for the said lands be issued to Captain Joseph Elzear Bernier, subject, however, to such letters patent containing, in addition to the usual reservations and provisos in letters patent for grants of Dominion lands, a proviso to the effect that the Surveyor General of Dominion Lands may, at any time, cause a survey to be made of the lands granted and that his decision as to the location of the grant and of its boundaries and the extent of the grant shall be final, whether it does or does not agree with the description in the letters patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

## BRITISH COLUMBIA.

## (508) Milbank sound—Hydrographic notes.

The following information relating to Milbank sound has been furnished by Lieut.-Commander P. C. Musgrave, R.N., Officer in charge of the Hydrographic Survey steamer "Lillooet."

*Ivory island*.—Surf point is steep-to, on the south and southwest, depths of 50 fathoms being obtainable at  $1\frac{1}{2}$  cables from the light, and 225 fathoms half a mile to the southwestward.

*White rock* is steep-to, with the exception of its eastern side, where a patch with 2 fathoms lies  $2\frac{1}{2}$  cables  $106^\circ$  (N.  $78^\circ$  E. mag.) from the rock; the rocky ridge, said to extend to the southwest of White rock, does not exist; a depth of 70 fathoms being obtained one cable from it.

*Bare rock* is steep-to on the eastern side, but depths of 11 fathoms extend for two cables northwest of the rock.

*White rock gas beacon*.—On the northeastern extremity of White rock, 60 feet above high water, is exhibited an occulting white light from an acetylene beacon, visible 13 miles from all points of approach. This gas beacon consists of a cylindrical tank surmounted by a pyramidal steel frame supporting the lantern, the whole painted white. (See Notice to Mariners No. 42 (143) of 1915.)

*Cross point*, the southern extremity of Lady island, is low and wooded. A rocky wooded islet forms the extreme of the point. Rocky ledges, drying at low water, with scattered rocky islets, extend for  $3\frac{1}{2}$  cables to the southwest of the point.

*Cross ledge* extends for 6 cables to the southwest of the islet off Cross point. A rock drying 11 feet at low water is situated 5 cables  $225^\circ$  (S.  $17^\circ$  W. mag.) from the islet off Cross point, and shoal ground extends for  $3\frac{1}{2}$  cables from the islet in the same direction; a rock which dries 7 feet at low water is situated 3 cables south of the islet, with deep water at a distance of 4 cables.

*Salal island*, situated west of Lady island, from which it is separated by Clam passage, forms the southern entrance point to Moss passage. The island is  $1\frac{1}{4}$  miles in length, north and south, with a width of  $6\frac{1}{2}$  cables. It is wooded and is 225 feet high to the tops of the trees.

*Boulder head*, the southern extreme of Salal island, is a conspicuous rocky headland.

*Boulder ledge* is situated midway between Cross point and Boulder head. Its shoalest portion is 3 cables long, in a north and south direction, and  $1\frac{1}{2}$  cables wide with rocks drying at low water. The outer of these rocks dries 7 feet and lies 8 cables  $148^\circ$  (S.  $60^\circ$  E. mag.) from Boulder head.

A shoal patch of  $3\frac{1}{2}$  fathoms lies 3 cables to the southwest of last described rock (the southern extremity of the bank) with depths of 18 fathoms found 5 cables in the same southwesterly direction.

There is deep water between the ledge and Lady island, and a deep channel separates it from Boulder bank.

*Boulder bank*, with general depths of 14 to 17 fathoms over it, lies half a mile off the western side of Salal island. Its southern extremity is at 9 cables southwest from Boulder head and its northern extremity ( $2\frac{1}{4}$  miles northward) is 9 cables,  $284^\circ$  (S.  $76^\circ$  W. mag.), from Salal point, the northern end of the island. At 7 cables southwest of Boulder head there is a depth of 16 fathoms. There are two patches of 10 fathoms on the bank; the south one,  $4\frac{1}{2}$  cables  $259^\circ$  (S.  $51^\circ$  W. mag.) from Boulder head, and the other 6 cables to the north and  $2\frac{1}{2}$  cables from the western extreme of the island.

*Vancouver rock* dries 12 feet at low water, lies 3.9 miles  $2^{\circ}$  (N.  $26^{\circ}$  W. mag.) from White rock, and 1.3 miles west of Salal point. The rock is steep-to on its western side, with depths of 12 fathoms  $1\frac{1}{2}$  cables to the north.

Cross point, in line with Boulder head, bearing  $129^{\circ}$  (S.  $79^{\circ}$  E. mag.) leads southward, and Low point seen just open westward of the North island group, bearing  $30^{\circ}$  (N.  $2^{\circ}$  E. mag.), leads westward of Vancouver rock.

*Vancouver rock light and whistle buoy*, moored in 45 fathoms,  $3\frac{1}{2}$  cables westward of Vancouver rock, is a steel cylindrical buoy, painted red, with superstructure, showing an occulting white light, and with whistle sounded by the motion of the waves. (See N. to M. No. 112 (294) of 1907.)

A shoal patch of small extent, with a depth of  $5\frac{1}{2}$  fathoms, lies 9 cables,  $10^{\circ}$  (N.  $18^{\circ}$  W. mag.), from Vancouver rock, and  $3\frac{1}{4}$  cables south of the North island group.

*North island* is the largest of a group of islets situated 1.4 miles north of Vancouver rock, and westward of the south part of Dowager island. It is wooded and 175 feet high to the tops of the trees.

The group of islets extends for half a mile in a north and south direction, and for a quarter of a mile (including the outlying rocks) in an east and west direction.

*North ledges*, consisting of rocky patches drying at low water, are located to the north of North island. They extend from the island to two rocks, the northern of which is situated 2 cables north of North island, is 11 feet high and the most northern islet of the group.

A rock which dries one foot at low water lies  $2\frac{1}{2}$  cables  $328^{\circ}$  (N.  $60^{\circ}$  W. mag.) from the above described rock, and  $224^{\circ}$  (S.  $16^{\circ}$  W. mag.) one mile from Low point. It is steep-to on its western side and has a depth of 12 fathoms 2 cables north of it.

*Cliff island* is situated a little over half a mile north of Salal island, and  $3\frac{1}{2}$  cables from the southwestern extreme of Dowager island. It forms the northern entrance of Moss passage.

The island is triangular in shape, and half a mile in length in an east and west direction; it is wooded, is 235 feet high to the tops of the trees, and the white cliffs forming its southern shore are conspicuous. A wooded islet lies a little over a cable north of Cliff island, with foul ground between them. Rocky ledges extend for  $\frac{3}{4}$  cable west of this islet, and a shoal patch with a depth of  $7\frac{1}{2}$  fathoms lies 4 cables north of it.

*Alexandra passage* is the passage east of Vancouver rock and the North island group and to the west of Cliff island. It is 4 cables wide between the rocky ledges referred to above, and the outlying rocks which dry at low water off North island. The channel is generally deep with the exception of Boulder bank and the east of North island where there is 18 fathoms.

The point forming the eastern extreme of Swindle island open off Low point bearing  $6^{\circ}$  (N.  $22^{\circ}$  W. mag.) is a general mark for leading through.

**DIRECTIONS.**—Bound northward from Seaforth channel by the inshore passage through Milbank sound, keep Idol point well open southward of Ivory island lighthouse, bearing  $111^{\circ}$  (N.  $83^{\circ}$  E. mag.), until Helmet peak comes open of Rankin point, bearing  $34^{\circ}$  (N.  $6^{\circ}$  E. mag.), when course should be shaped to pass midway between Bare rock and Cross ledge, with Ivory island lighthouse astern bearing  $126^{\circ}$  (S.  $82^{\circ}$  E. mag.); when Low point is seen open westward of the North island group, bearing  $30^{\circ}$  (N.  $2^{\circ}$  E. mag.), steer for Jorkins point light. If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

## DÉPÊCHES, Etc.

(Extrait du Troisième Supplément de la LONDON GAZETTE du 26 novembre.)

War Office,

29 novembre 1915.

IL a gracieusement plu à Sa Majesté le Roi d'approuver que la Médaille pour Conduite Distinguée soit décernée aux sous-officiers à brevet, sous-officiers et hommes ci-dessous mentionnés pour leurs actes de bravoure et leur dévouement pendant qu'ils étaient en service dans les troupes expéditionnaires en France et dans les Flandres, aux Dardanelles et dans l'Est-Africain :

73741 soldat H. B. Compton, 28e bataillon canadien d'infanterie.

Pour sa bravoure incontestable le 8 octobre 1915, en face de Wytschaete. L'ennemi fit exploser des mines et le soldat Compton fut enseveli sous les débris. Dès qu'il fut dégagé, il demanda immédiatement à aller de l'avant comme membre d'une escouade de lanceurs de bombes, et il aida à bombarder l'ennemi du cratère dans lequel ils avançaient. Il aida aussi, sous un violent bombardement et une grêle de mitraille, à retirer quatre hommes qui avaient été enterrés par l'explosion, aidant ainsi à leur sauver la vie. Pendant toute l'action son courage, ses ressources et son attachement au devoir ont été des plus évidents.

69805 sergent W. C. Ryer, 26e bataillon canadien d'infanterie.

Pour sa bravoure évidente, le 13 octobre 1915. Durant une reconnaissance dans un cratère allemand, le sergent Ryer porta un autre sergent qui était mor-

tellement blessé, jusqu'à ce que ce dernier fut mort ; il retourna alors au cratère, et avec l'aide d'un autre homme, il en transporta un autre en lieu sûr, ceci fut accompli sous un violent feu croisé de mitrailleuses et de fusils. Il a donné un bel exemple de bravoure et de dévouement.

Et attendu qu'il a depuis été représenté par le Département des Affaires des Sauvages que vu le fait qu'il y avait deux sections adjacentes portant le numéro 36, les sauvages avaient fait une erreur dans la description des sections 35 et 26, dans le township 51, rang 1, à l'ouest du 3e méridien, comme étant requises pour faire partie du terrain qu'ils demandaient en échange pour les terres qu'ils avaient cédées, au lieu de :

PRESENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU que le président du Bureau des Commissaires de la Voierie de la province de Saskatchewan a demandé le transfert à la Couronne pour la province de Saskatchewan d'une certaine lisière de terrain de 66 pieds en largeur compris dans la moitié nord de la section 24, township 15, rang 14, à l'ouest du 3e méridien, comprenant une superficie de 6.80 acres, plus ou moins, pour les fins d'un chemin ;

Et attendu que cette lisière de terrain a été réservée aux fins d'un chemin dans les lettres patentes de la moitié nord de la section 24 ci-dessus mentionnée,—

Par conséquent, il plaît à Son Altesse le Gouverneur général en conseil d'autoriser par ces présentes le transfert à la Couronne, pour la province de Saskatchewan, pour les fins d'un chemin, de la dite lisière de terrain qui peut être décrite plus minutieusement comme suit :

Une lisière de terrain comprise dans la moitié nord de la section 24, township 15, rang 14, à l'ouest du 3e méridien, bornée au nord par une ligne droite s'étendant d'un point sur la borne est de la dite section distant de 197 pieds vers le sud le long de la dite borne est, à partir de l'angle nord-est de la dite section, jusqu'à l'angle sud-ouest formé par la section 25 du dit township et la borne sud de la dite lisière, soit une ligne droite parallèle à la dite borne nord de cette lisière de terrain et qui en est éloigné perpendiculairement de 66 pieds, s'étendant de la borne est de la dite section jusqu'à sa borne nord, ce terrain contenant une superficie de 6.80 acres plus ou moins.

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 novembre 1915, représentant que le capitaine Joseph Elzéar Bernier, du village de Lauzon, dans le comté de Lévis, dans la province de Québec, a récemment demandé au Département de l'Intérieur d'acheter deux terrains non arpentés dans les mers arctiques, l'un situé à Button-Point, sur l'île Bylot, dans la baie de Baffin, contenant 30 acres, sur lequel il a une maison qu'il a achetée en 1910 de M. Robert Kinnes, de Dundee, Ecosse, et l'autre sur l'île de Baffin, à la jonction de la rivière Salmon et de l'anse Pond, contenant 60 acres, sur lequel il a érigé deux maisons. Ces deux terrains ont été occupés pendant les quelques dernières années par le requérant, ou ses agents, pour des stations de pêche et de traite.

Les terrains demandés peuvent être décrits comme suit :

1. Un terrain non arpenté connu sous le nom de Button-Point, sur l'île Bylot, dans la baie de Baffin, dans les mers arctiques, dans la Puissance du Canada, latitude nord approximative de 72 degrés et 53 minutes et longitude ouest approximative de 76 degrés et 15 minutes, et qui peut être décrit plus minutieusement comme suit :

Borné au nord par une ligne tirée franc est et ouest, passant par un point dans une ligne tirée franc nord à partir de la maison érigée sur le dit terrain par un certain Robert Kinnes, de Dundee, dans cette partie de la Grande-Bretagne connue sous le nom d'Ecosse, et achetée du dit Robert Kinnes par le dit Joseph Elzéar Bernier par cession datée le 25 février 1910, laquelle est déposée au Département de l'Intérieur, le dit point étant éloigné de 15 chaînes franc nord de la dite maison ; borné à l'est et à l'ouest par des lignes tirées à angle droit de la dite borne nord et éloignées de dix chaînes perpendiculairement de chaque côté de la ligne nord ci-dessus décrite, et s'étendant vers le sud jusqu'au rivage de la dite île Bylot, et borné au sud par la rive sud de la dite île, et contenant 30 acres, plus ou moins.

2. Un terrain non arpenté sur l'île de Baffin, à l'embouchure de la rivière Salmon, sur la rive sud de l'anse Pond, dans les dites mers arctiques, latitude nord approximative de 72 degrés et 41 minutes et longitude ouest approximative de 78 degrés et 15 minutes, et qui peut être décrit plus minutieusement comme suit : Borné au sud par une ligne tirée sur un relèvement astronomique nord 67 degrés et 30 minutes ouest, et sud 67 degrés et 30 minutes est passant par un point dans une ligne tirée sur un relèvement astronomique sud 22 degrés et 30 minutes ouest à partir de l'intersection du centre de l'embouchure de la dite rivière Salmon, avec la marque des hautes eaux de la rive sud de la dite anse Pond, la dite borne sud étant à une distance de 30 chaînes mesurée le long de la dite ligne, ayant un relèvement sud 22 degrés et 30 minutes ouest ; les bornes est et ouest du dit terrain sont des lignes tirées à une distance de dix chaînes de chaque côté de la ligne ci-dessus décrite et parallèle à cette ligne ayant un relèvement sud 22 degrés et 30 minutes ouest, et la borne nord du dit terrain étant la dite rive sud de l'anse Pond et contenant une superficie de 60 acres, plus ou moins. Les dits terrains numérotés 1 et 2 sont approximativement indiqués en rouge sur la Carte des Arpentages et Découvertes dans les Régions Arctiques, laquelle carte est ci-annexée avec des additions et changements jusqu'en 1911, sur la côte de l'île de Baffin, par J. T. E. Lavoie, I. C.

Le Ministre représente que le capitaine Bernier a fait une déclaration solennelle devant le Greffier des Lois du Département de l'Intérieur à l'effet que personne autre que lui-même n'a de titre quelconque aux terrains ci-dessus mentionnés et qu'ils ne sont occupés par aucune autre personne sauf avec sa permission.

Dans les circonstances, le Ministre est d'avis que la demande soit accordée,—

Par conséquent, le Ministre recommande que les terrains ci-dessus décrits soient vendus au requérant au prix de \$1.00 l'acre, et que dès que paiement aura été fait au Département de l'Intérieur des lettres patentes des dits terrains soient délivrées au capitaine Joseph Elzéar Bernier, ces lettres patentes devant toutefois contenir, en outre des réserves et conditions ordinaires des lettres patentes pour la concession des terres fédérales, un proviso à l'effet que l'Arpenteur Général des terres fédérales peut, en tout temps, faire faire un arpentage des terrains concédés et que sa décision, en ce qui concerne la situation et les bornes de ces terrains et l'étendue de la concession, sera finale, qu'elle s'accorde ou non avec la description contenue dans les lettres patentes.

Le comité agréé cette recommandation et la soumet pour approbation.

ATTENDU que par des arrêtés en conseil du 8 mai 1915 et du 20 septembre 1915 l'autorisation a été donnée d'appliquer les dispositions des articles 22 et 23 de la *Loi des terres fédérales* à tout corps d'hommes qui ont pris du service ou servent actuellement, ou pourront plus tard prendre service dans les armées de la Grande-Bretagne ou d'un des alliés de la Grande-Bretagne, en la présente guerre avec l'Allemagne et l'Autriche, ou avec tout allié de ces pays, et à tout membre d'un tel corps, qu'il soit sujet britannique de naissance ou par naturalisation, ou qu'il soit étranger ;

Et attendu qu'il a été représenté que les dits articles 22 et 23 de la *Loi des terres fédérales* ne s'appliquent qu'aux personnes dont l'inscription de homestead est antérieure à l'enrôlement ou, dans le cas de réservistes, antérieure à la date où ils ont été rappelés au service militaire actif, et que, conséquemment, toute personne qui s'est inscrite pour un homestead après son enrôlement ou après la date de son rappel comme dit ci-dessus, serait sujette aux dispositions du paragraphe 1 de l'article 13 de la *Loi des terres fédérales*, qui prescrit que nulle inscription qui n'a pas été parfaite dans les douze mois à compter de sa date ne sera exemptée de l'annulation pour une période quelconque au delà des douze mois ;

Et attendu que le Ministre de l'Intérieur est d'avis que bien qu'il ne puisse pas être de l'intérêt public d'appliquer les articles 22 et 23 de la loi aux colons qui s'inscrivent pour des homestead après leur enrôlement, ou après la date de leur rappel aux armes, il ne serait pas opportun de permettre que les inscriptions de ces colons soient annulées pendant leur absence en service militaire actif,—

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 6 du chapitre 2, 5 George V, de donner par ces présentes l'autorisation de protéger l'inscription de toute personne qui, étant membre d'un corps militaire servant comme susdit dans les armées de la Grande-Bretagne ou d'un de ses alliés durant la présente guerre européenne, et qui a obtenu cette inscription après son enrôlement, ou après la date de son rappel pour service actif, cette protection devant se continuer durant tout le temps de ce service et pour une période n'excedant pas trois mois après que telle personne a été congédiée du corps militaire avec lequel elle servait.

## SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 7 décembre 1915, représentant que MM. T. S. Hall et Charles Damaske, de New-Westminster, ont demandé au Département de l'Intérieur le bail de la partie des sections 5, 6, 7 et 8, dans le township 3, rang 28, à l'ouest du 6e méridien, comprenant le lit submergé du lac Cheam, dans la zone des chemins de fer de la province de la Colombie-Britannique, dans le but d'en extraire un dépôt de chaux désintégrée pour servir comme engrais.

Le ministre représente que le sous-ministre du Département de l'Agriculture de la province de la Colombie-Britannique, dans une communication datée le 27 février 1912, déclare qu'il souscrit entièrement aux représentations qui ont été faites qu'il existait un grand besoin de chaux pulvérisée à des prix raisonnables pour les fins agricoles et que la chaux ne pouvait être utilisée sous une meilleure forme.

Le ministre ajoute qu'il appert que les autorités provinciales ont fait une concession d'une charge d'eau de 300 pouces du lac Sheam pour usages domestiques et pour l'énergie hydraulique, et que des inscriptions ont été accordées pour deux claims miniers comprenant une partie du lit de ce lac.

En vue de la demande qui semble exister pour la chaux devant être utilisée pour les fins agricoles, le ministre recommande qu'il soit autorisé à permettre à MM. T. S. Hall et Charles Damaske d'extraire au moyen de dragues ou de pompes ce dépôt de chaux désintégrée du lit du lac, aux conditions suivantes :

(1) Le terme du bail sera de cinq ans et le loyer de 25 cents l'acre par année payable d'avance.

(2) Le bail est sujet à tout droit quelconque concédé sur les eaux du lac ou les minéraux qui y gisent.

3. Le concessionnaire doit installer, dans le délai d'un an de la date du bail, l'outillage nécessaire pour pomper ou draguer ce dépôt de chaux, cet outillage devant être d'une valeur d'au moins \$2,500 et le concessionnaire devant fournir la preuve satisfaisante que l'installation en a été faite dans le délai spécifié.

4. Pendant chaque année de la durée du bail le concessionnaire devra exercer les droits qui lui sont concédés avec toute diligence raisonnable et chaque année extraire et préparer pour l'expédition non moins que 1,000 tonnes du dépôt ci-dessus mentionné et fournir la preuve satisfaisante de telle production.

5. Le concessionnaire ne devra détourner ou retirer aucune quantité des eaux du lac, ses droits se limitant à l'extraction par le procédé susdit du dépôt de chaux qu'il est représenté y avoir dans le lac.

6. La négligence de se conformer à une condition quelconque du bail le rendra sujet à annulation immédiate à la discrétion du ministre de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté du 25 novembre 1915, représentant que M. John Thomas Moore, de la cité de Toronto, province d'Ontario, a obtenu la concession, sous bail minier n° 372 pour l'extraction de la houille, le 9 février 1911, de droits miniers dans certaines terres fédérales, savoir : subdivisions légales 2, 3, 6 et 7 de la section 33 et les subdivisions légales 14, 15 et 16 de la section 28, situées à l'ouest de la rivière Saskatchewan, dans le township 39, rang 7, à l'ouest du 5e méridien, dans la province d'Alberta. Ce bail couvre une période de 21 ans à partir du 28 octobre 1910.

Le Ministre ajoute que M. Moore, concessionnaire susdit du dit bail minier n° 372, s'est plaint de ce que certaines personnes ont l'habitude d'extraire, sans y être autorisées, de la houille du rivage de la dite rivière Saskatchewan près de ses propres claims houillers, qui se trouvent ainsi exposés à être inondés ; et afin de protéger ses dits claims houillers M. Moore a demandé une licence d'occupation du dit rivage de la rivière Saskatchewan, qui peut être décrit plus minutieusement comme suit :

Toute cette partie de la subdivision légale 15 de la section 28 et les parties des subdivisions légales 2 et 7 de la section 33, township 39, rang 7, à l'ouest du 5e méridien, et comprise entre le point des eaux hautes et celui des eaux basses de la dite rivière et qui ne sont pas compris dans le dit bail minier n° 372.

Vu ces circonstances, le ministre recommande qu'on l'autorise à donner une licence d'occupation du dit terrain de grève à M. Moore moyennant le prix nominal d'un dollar payable à l'émission de la dite licence, laquelle fera partie du dit bail minier ou de tout renouvellement de ce bail et se terminera en même temps que le dit bail ; toutefois le bail est sujet à la condition qu'aucun droit exclusif d'entrée, d'occupation ou d'exploitation ne sera accordé par la dite licence, mais les seuls droits d'entrée, d'exploitation ou d'occupation qui, de l'avis du Ministre, pourront être nécessaires de temps à autres pour les fins susdites, et sujet aussi à cette autre condition que la dite licence peut être annulée au gré du Ministre.

Le comité agréé cette recommandation et la soumet pour approbation.

Il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes l'émission de permis de pâturage sur les terres vacantes de la province de Manitoba, dénommées auparavant terres marécageuses, mais dont le titre est maintenant attribué à la Couronne, aux conditions suivantes :

(1) La superficie maximum concédée à une seule personne ou compagnie n'excèdera pas une section.

(2) Les permis ne seront émis que pour les terres qui, après inspection par un fonctionnaire du Département de l'Intérieur, auront été trouvées impropres à l'agriculture, ou les terres à foin concédées sous l'empire des terres fédérales.

(3) Le loyer sera de 2 cents l'acre par année, payable d'avance chaque semestre.

(4) Toutes les demandes doivent être faites à l'agent des terres fédérales pour le district dans lequel le terrain est situé et doivent être accompagnées du loyer du premier semestre.

(5) Au reçu de la demande l'agent réservera les terrains disponibles demandés en attendant la décision du département quant à la concession du permis.

(6) Avant que le permis soit accordé le requérant devra afficher des avis de sa demande dans au moins quatre endroits différents bien en vue sur les terres demandées, et aussi dans le bureau de poste le plus rapproché, pendant 30 jours, et souscrire à une déclaration statutaire de ce fait.

(7) Dans les six mois de la date du permis le concessionnaire devra placer sur le terrain qui lui est concédé non moins qu'une tête de bétail ou un cheval d'au delà d'un an, ou cinq moutons, qui lui appartiennent en propre, pour chaque trente acres de terrain.

(8) Le concessionnaire gardera sur le terrain concédé le nombre requis d'animaux, et le premier juillet de chaque année il devra présenter une déclaration statutaire indiquant le nombre d'animaux qu'il a sur le terrain à cette date.

(9) Le permis expire le 31e jour de décembre qui suit la date de son émission.

(10) La concession d'un permis ne donne pas au concessionnaire le droit au renouvellement, mais le Ministre peut, à sa discrétion, renouveler les permis d'année en année, et dans ce cas le concessionnaire a le premier droit au renouvellement ; mais la demande de renouvellement doit être faite au département le plus tard le premier décembre précédant l'expiration du permis et doit être accompagnée du loyer pour le premier semestre de l'année suivante.

(11) Aucuns bâtiments ne seront érigés sur le terrain compris dans le permis, sauf ceux qui peuvent être nécessaires pour abriter le bétail.

(12) Si le concessionnaire n'obtient pas un renouvellement à l'expiration du permis, il aura le droit d'enlever dans un délai raisonnable tout bâtiment temporaire ou clôture qu'il pourra avoir érigés sur le terrain qu'il détenait.

(13) Le concessionnaire a droit au foin produit sur le terrain compris dans son permis, comme fourrage pour son bétail, mais il ne lui est pas permis de le vendre ou de l'échanger.

(14) Si le concessionnaire désire mettre des moutons en pâturage, ils doivent être enclos par une clôture qu'ils ne peuvent franchir.

(15) Le permis ne peut se transférer.

(16) Le permis est sujet à annulation sommaire dès que le concessionnaire néglige d'observer une condition quelconque des présents règlements, et aussi pour toute fausse représentation de sa part au sujet d'un fait important.

ATTENDU que les règlements de pêche pour les provinces de Manitoba, Saskatchewan et Alberta et les territoires situés au nord de ces provinces, défendent la pêche de l'esturgeon dans ces provinces et territoires pour une période de quatre ans se terminant le 31 décembre 1915 ;

Et attendu que ces règlements prescrivent aussi que lorsque cette pêche sera reprise elle pourra se continuer pendant toute l'année, à l'exception de la brève saison close du 15 mai au 15 juin, avec des rets trémaillés dont les mailles n'auront pas moins que 14 pouces d'extension et avec des hameçons amorcés ;

Et attendu qu'au cours de l'été dernier le Département du Service Naval s'est enquis par l'entremise des inspecteurs locaux des pêcheries si l'esturgeon était maintenant assez abondant pour permettre la reprise de la pêche de ce poisson à l'expiration de l'année présente et, tel étant le cas, si les règlements actuels sont adéquats ;

Et attendu que ces fonctionnaires ont fait rapport que les règlements annuels ne sont pas adéquats, mais qu'avec des règlements convenables cette pêche pourrait être reprise en toute sûreté ;

Et attendu que ces fonctionnaires sont d'avis que la saison de pêche devrait être limitée à quelques mois chaque année et que, comme le frai de l'esturgeon, dont est fait le caviar si estimé du commerce est ordinairement tout perdu si la pêche se poursuit pendant l'hiver, la saison devrait être limitée à la période de l'été commençant le 16 juin et se terminant le 15 octobre ;

Et attendu que ces fonctionnaires ont aussi constaté que l'esturgeon du lac Winnipeg atteint une plus grande taille que celui des autres eaux de ces provinces ; mais que même dans le lac Winnipeg la pêche ne saurait être profitable avec des rets dont les mailles auraient plus de douze pouces d'extension, et dans les autres eaux avec des rets dont les mailles auraient plus de onze pouces d'extension ;

Et attendu que les fonctionnaires compétents du Département du Service Naval, qui sont chargés de l'administration des pêcheries, sont de l'avis des inspecteurs locaux des pêcheries et recommandent que les règlements actuels soient modifiés en conséquence, et que le Ministre du Service Naval agrée cette recommandation,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions de l'article 45 de la *Loi des pêcheries*, 4-5 George V, chapitre 8, de décréter par ces présentes ce qui suit, savoir :

Les articles 10, 32 et 38 des règlements de pêche spéciaux pour la province de Manitoba, adoptés par un arrêté en conseil du 9 février 1915, et les règlements 10, 17 et 21 des règlements de pêche spéciaux pour les provinces de Saskatchewan et Alberta et les territoires situés au nord de ces provinces, aussi adoptés par un arrêté en conseil du 9 février 1915, sont rescindés et les règlements suivants leur sont substitués, savoir :

## ESTURGEON.

1. Personne ne pêchera, prendra ou tuera de l'esturgeon autrement qu'au moyen de rets trémaillés ou d'hameçons amorcés.

2. (a) Le permis de pêche à l'esturgeon pour le commerce autorise l'emploi d'au plus 500 verges de rets trémaillés ou de 500 hameçons amorcés. L'honoraire est de \$5.00.

(b) Le permis de pêche à l'esturgeon pour les fins domestiques autorise l'emploi d'au plus 100 verges de rets trémaillés ou de 50 hameçons amorcés.

3. (a) Les mailles des rets trémaillés pour la pêche à l'esturgeon dans le lac Winnipeg, Manitoba, n'auront pas moins que douze pouces d'extension, et les mailles de ces rets pour la pêche dans toutes autres eaux des provinces de Manitoba, Saskatchewan, Alberta et des territoires situés au nord de ces provinces n'auront pas moins de onze pouces d'extension, quand ces rets serviront à la pêche.

(b) Les empiles auxquelles sont fixés les hameçons amorcés seront attachées aux cordeaux à des intervalles de pas moins que trois pieds.

4. Est permise la pêche à l'esturgeon pour des fins commerciale dans la rivière Winnipeg, Manitoba, en amont d'une ligne traversant cette rivière du moulin Papineau à la pointe Sproule, laquelle ligne est à environ un demi mille en aval de Pine Falls.

5. Ne sera gardé aucun esturgeon pesant moins que 18 livres, poids vif, et tout esturgeon pesant moins que 18 livres, poids vif, sera immédiatement rejeté vivant et, si possible, sans mal dans les eaux d'où il a été tiré par la personne qui l'a pris.

6. Le parquement et la mise à l'attache de l'esturgeon sont prohibés.

7. D'après le permis de pêche à l'esturgeon pour les fins domestiques on ne peut prendre plus que trois esturgeons par semaine. Quand ce nombre a été pris sous l'empire d'un permis dans une semaine quelconque, les rets trémaillés ou hameçons amorcés, suivant le cas, dont l'emploi est autorisé par le permis, seront enlevés de l'eau et ne devront pas y être remis pour le reste de cette semaine.

8. Personne ne pêchera, prendra, tuera ou vendra de l'esturgeon du 16 octobre de chaque année au 15 juin suivant, ces deux jours compris.

ATTENDU que demande a été faite au nom de la colonie austro-russe du district scolaire de Cartier, dans la province de la Colombie-Britannique, de la concession gratuite pour les fins d'un cimetière d'un acre de terrain situé dans l'angle nord-ouest de la subdivision légale 1 de la section 36, township 22, rang 2, à l'ouest du 6e méridien, cette concession devant être faite au nom de la corporation diocésaine, dont le titre légal est "L'Archevêque Catholique Romain de Vancouver."

Et attendu qu'après inspection du terrain demandé un fonctionnaire du Département de l'Intérieur a fait rapport, le 24 novembre 1915, que ce terrain convenait à l'emplacement d'un cimetière et qu'il ne pouvait y avoir aucune objection à ce qu'un cimetière soit situé à cet endroit.

Et attendu que le terrain demandé est disponible, Karol Szymonowecz l'ayant cédé de son homestead.

Par conséquent il plaît à Son Altesse Royale le Gouverneur général en conseil, de décréter par ces présentes que soit concédé gratuitement à l'archevêque catholique romain de Vancouver le terrain ci-dessus mentionné pour l'emplacement d'un cimetière, les lettres patentes devant contenir la condition que le terrain ne sera employé que pour les fins auxquelles la concession est faite—

QUARTIER GÉNÉRAL,

INSTRUCTIONS, RÉGLEMENTS, Etc.

DÉFENSE DE DONNER OU VENDRE DES LIQUEURS ENIVRANTES.

Le paragraphe 4 des règlements adoptés et établis par arrêté en conseil du 12 septembre 1914 (C.P. 2358) est annulé par le présent et le suivant lui est substitué :

"4. Personne ne donnera ou vendra, avec l'intention de dévoiler des renseignements afin de les communiquer à l'ennemi, ou pour aucune fin de nature à aider l'ennemi, aucune liqueur enivrante à un membre des forces quelconques de Sa Majesté, ou à un membre de la milice du Canada, et lorsque les forces quelconques de Sa Majesté, ou de la milice du Canada sont employées à garder ou à défendre toute voie ferrée, bassin, port, canal, station de télégraphie sans fil ou câble, ou tout fort, salle d'armes, édifice, construction, installation ou usine, ou tous approvisionnements, armements, munitions ou marchandises au sujet desquels une garde ou une sentinelle a été postée, personne ne donnera ou vendra, à une époque quelconque, aucune liqueur enivrante à un membre de ces dites forces ou de la milice avec l'intention de les enivrer ; ni personne ne donnera ou vendra, soit avec ou sans l'intention en dernier lieu mentionnée, des liqueurs enivrantes à tout tel membre lorsqu'il est de garde, posté en sentinelle ou qu'il accomplit quelque autre devoir militaire."

### ENROLEMENT, T. E. C.

OFFICIERS SUPÉRIEURS AUTORISÉS À FAIRE PRÊTER SERMENT.

ATTENDU que des instructions ont été reçues du gouvernement de Sa Majesté à l'effet que les hommes s'enrôlant pour faire du service dans les troupes expéditionnaires canadiennes d'outre-mer soient assermentés par un magistrat ;

Et attendu que par l'article 94 de la *Loi de l'armée*, il est statué que dans le but de faire prêter serment aux soldats, en conformité de cette partie de la loi relative à l'enrôlement des soldats, toute personne dûment autorisée à cet effet par le Gouverneur d'une colonie pourra, dans cette colonie, avoir l'autorité d'un juge de paix et être censée comprise dans l'expression "juge de paix" partout où elle est employée dans cette partie de la loi relative à l'assermentation des soldats ;

Et attendu que, vu l'inconvénient et les dépenses qui résulteraient si les hommes enrôlés dans les troupes expéditionnaires canadiennes d'outre-mer étaient assermentés par des juges de paix provinciaux, il est désirable que certains officiers militaires soient autorisés à faire prêter serment aux soldats de ces troupes ;—

En conséquence, il plaît à Son Altesse Royale le Gouverneur général en conseil, en conformité du pouvoir conféré comme susdit, d'autoriser et il autorise par le présent que l'assermentation des soldats enrôlés sous l'empire de cette partie de la *Loi de l'armée* relative à l'enrôlement soit faite par tout officier nommé au commandement d'un bataillon ou autre unité semblable des troupes expéditionnaires canadiennes d'outre-mer, pourvu qu'à l'époque il ait un grade non inférieur à celui d'officier supérieur dans la milice canadienne.

Le chef d'un Ministère quelconque n'accordera de congé avec traitement qu'aux personnes dont les situations peuvent être laissées vacantes durant leur absence et dont l'absence pendant la durée de la guerre n'affectera pas le service public. En accordant un congé dans ces circonstances, le Ministre devrait suivre le principe de retrancher du traitement de toute personne s'enrôlant ainsi, le montant de sa solde militaire durant la période comprise par ce congé.

2. Dans tous les autres cas, le Ministre devrait faire une recommandation au Conseil, afin qu'il obtienne l'autorisation nécessaire pour accorder des congés aux clauses et conditions que le Gouverneur en conseil établira.

3. Des congés avec traitement entier ou partiel ne seront pas accordés à des personnes quelconques employées dans le Service civil, à moins qu'elles n'aient été ainsi employées au commencement de la guerre.

#### COMMISSION DU SERVICE CIVIL.

LES Commissaires du Service civil donnent avis que des demandes seront reçues de la part de candidats capables de remplir la position ci-dessous :

Un médecin dans la marine royale canadienne, qui devra prendre un engagement de trois ans, lequel engagement pourra être porté à cinq ans. Les médecins ont le rang de lieutenant et ont préséance d'après la date de leur brevet. Ils reçoivent \$4 par jour à leur admission et \$5 par jour après 3 ans. Les candidats doivent être sujets britanniques et ne pas avoir plus de 30 ans le 1er octobre 1916. Ils doivent être parfaitement qualifiés comme praticiens et gradués d'un collège médical canadien, ou être nés au pays ; ils doivent de plus pouvoir prouver qu'ils ont eu au moins une année de pratique depuis qu'ils sont diplômés. Un certain nombre des aspirants seront choisis et il y aura concours entre eux, sur des sujets relevant de la profession. Le candidat heureux devra subir un examen médical quant à ses aptitudes physiques pour le service.

Les formules de demande, dûment remplies et accompagnées d'une preuve d'âge suffisante, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 10 janvier prochain. On peut obtenir ces formules en s'adressant au Secrétaire de la Commission, à Ottawa.

Les conditions suivantes doivent être remplies relativement à la nomination des médecins dans la marine royale canadienne :—

Une somme de \$150 sera allouée aux médecins à leur entrée afin de leur aider à se procurer l'uniforme nécessaire ; l'achat d'un grand uniforme, d'un ceinturon d'épée de grand uniforme et d'un uniforme de bal sera libre, mais il doit être compris que les officiers ne peuvent assister aux cérémonies où ces costumes sont portés à moins d'avoir l'uniforme qui convient.

Les médecins quittant le service au bout de trois ans recevront, s'ils ont donné satisfaction, une gratification de \$1,000, et de \$1,500 au bout de cinq ans ; mais ils doivent se faire mettre sur la réserve des officiers médicaux.

Les officiers sur la réserve des officiers médicaux sont tenus de prendre du service dans le Service naval en cas de guerre ou d'urgence ; ils doivent s'engager à demeurer dans la réserve au moins cinq ans et ils recevront des honoraires d'engagement de \$150 par année ; et, à l'expiration de ce terme, ils peuvent prendre un autre engagement de cinq ans, avec mêmes honoraires d'engagement.

Les officiers de la réserve appelés à prendre du service en temps de guerre ou d'urgence recevront \$5.00 par jour. Si, au cours de ce nouvel emploi, ils sont blessés dans l'exercice de leurs fonctions, ou perdent la

vie par suite d'accidents attribuables au service, leur cas relèvera pour tout ce qui touche les compensations pour eux-mêmes, ou la pension et le dédommagement à accorder à la veuve et aux enfants, des mêmes règlements que ceux qui régissent les cas des officiers du même rang en service actif.

Les officiers pourront porter l'uniforme de leur rang lorsqu'ils seront sur la réserve des officiers médicaux.

Par ordre de la Commission,  
Wm FORAN,  
Secrétaire.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion 90013—7

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |

| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

#### SÉNAT.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

## SÉNAT.

### Avis de bills privés.

#### EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 9th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL

WHEREAS by Orders in Council of the 8th May, 1915, and 20th September, 1915, authority was given to apply the provisions of clauses 22 and 23 of The Dominion Lands Act, to any body or force of men who have served or are now serving, or who may hereafter serve with any of the forces of Great Britain, or any of the Allies of Great Britain, in the present war with Germany and Austria, or with any of the Allies of these countries, and to any member of any such body or force, whether he is a British subject by birth, or naturalization, or is an alien;

And whereas it has been held that the said clauses 22 and 23 of The Dominion Lands Act only apply to those persons who had made entries for Dominion Lands prior to enlistment or, in the case of reservists, prior to the date when they were recalled for active military service, and that consequently, any person who made entry for Dominion Lands after enlistment or after the date of his recall as aforesaid, would come under the provisions of subsection 1, of section 13 of The Dominion Lands Act, which sets forth that no entry, which is not perfected within twelve months from the date thereof, shall be protected from cancellation for any further period of time;

And whereas the Minister of the Interior is of the opinion that while it might not be in the public interest to extend the benefit of clauses 22 and 23 of the Act to settlers taking up entries after enlistment, or after the date of their call to the colours, it would not be advisable to allow the entries of such settlers to be cancelled during their absence on active military service,—

Therefore the Governor General in Council, under and in virtue of the provisions of section 6, chapter 2, 5 George V, is pleased to grant and doth hereby grant authority to protect the entry of any person who, being a member of any body or force serving as aforesaid with the forces of Great Britain or of any of her Allies during the present European war, and who secured such entry after enlistment, or after the date of his recall for active service, such protection to hold good during the continuance of such service, and for a period not exceeding three months after his discharge from the military force with which he has been serving.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 11th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, dated 7th December, 1915, representing that Messrs. T. S. Hall and Charles Damaske, of New Westminster, have made application to the Department of the Interior for a lease of that portion of Sections 5, 6, 7 and 8, in Township 3, Range 28, west of the 6th Meridian, comprising the submerged bed of Cheam Lake, in the Railway Belt, in the Province of British Columbia, for the purpose of pumping or dredging therefrom a deposit of disintegrated lime to be used for fertilizing purposes ;

The Minister observes that the Deputy Minister of the Department of Agriculture for the Province of British Columbia, in a communication dated the 27th of February, 1912, stated that he fully concurred in the representations made that there was a great desirability for a supply of crushed rock lime at reasonable prices for agricultural purposes, and that this was the best form in which it could be used ;

90316—1½

The Minister states that it would appear that a grant has been made by the Provincial authorities of 300 miner's inches of water from Cheam Lake for domestic and power purposes, and that entries have been granted for two mineral claims covering a portion of the bed of this lake,—

In view of the demand which would appear to exist for lime to be used for agricultural purposes, the Minister recommends that he be authorized to grant permission to Messrs. T. S. Hall and Charles Damaske to remove by pumping or dredging this deposit of disintegrated lime from the bed of the lake, upon the following conditions :—

1. The term of the lease to be five years and the rental, at the rate of twenty-five cents an acre per annum, payable yearly in advance.

2. The lease to be subject to any rights already granted of the waters of the lake or the minerals in the bed thereof.

3. The lessee to instal, within one year from the date of the lease, machinery and equipment for the pumping or dredging of this deposit to the value of at least \$2,500.00, and to furnish satisfactory evidence of the installation of such machinery and equipment within the time specified.

4. That during each year of the term of the lease, the lessee shall operate the rights granted him with reasonable diligence, and shall during each year produce ready for disposal or shipment not less than 1,000 tons of the deposit referred to and shall furnish satisfactory evidence of such production.

5. The lessee shall not divert or remove from the lake any of the waters thereof, his rights to be confined to the removal by the above process of the deposit of lime represented to be in the lake.

6. Failure to comply with any of the conditions set out in the lease shall render that instrument subject to immediate cancellation in the discretion of the Minister of the Interior.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

And whereas an Officer of the Department of the Interior reported on the 24th November, 1915, after inspection that the land applied for is suitable for a cemetery site and that there is no objection to the location of a cemetery at this point.

And whereas the land applied for is available having been relinquished by Karol Szymonowicz from his homestead.

27-4

[3015]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1915, from the Minister of the Interior, stating that, pursuant to the authority of an Order in Council dated the 26th day of June, 1906, an agreement was executed for the sale to the Robins Irrigation Company of 380,573 acres of land, comprising the estimated vacant and available area within a tract described in the said agreement.

That on the 26th day of December, 1906, the Authority of Council was given for the transfer of the right and interest of the Robins Irrigation Company in the aforesaid agreement to The Southern Alberta Land Company, Limited, and such transfer was duly made.

That in the first selection of lands made by The Southern Alberta Land Company, Limited, under the aforesaid agreement, there was included the northeast quarter of Section Twenty-two (22), Township fifteen (15), Range seven (7), west of the Fourth Meridian and the northeast quarter of Section thirty-four (34), Township fourteen (14), Range eight (8), west of the Fourth Meridian. Both of these quarter sections were then held under homestead entry and, therefore, the company's selection was not confirmed. These lands were never occupied by the entrants and the entries have since been cancelled.

The Southern Alberta Land Company, Limited, have reported that the Canadian Wheatlands, Limited, who are under contract to purchase certain of their lands, acting under the erroneous assumption that these two quarter sections had been purchased by The Southern Alberta Land Company—had cultivated and cropped portions thereof. This information has been verified by an inspection made by the Superintendent of Irrigation ; also by a homestead inspector's report, which shows that all of both quarter sections had been broken and cultivated.

Portions of both these quarter sections are irrigable from the works now under construction and in order to protect the improvements made thereon by the Canadian Wheatlands, Limited, the Southern Alberta Land Company, Limited, have requested permission to acquire these two quarter sections in exchange for the north half of Section seventeen (17), Township fourteen (14), Range seven (7), west of the Fourth Meridian previously selected by them as part of the aforesaid 380,573 acres.

The lands which the Southern Alberta Land Company, Limited, desire to acquire are vacant and available for disposition and do not exceed in value the lands which they desire to relinquish.

The Minister, therefore, recommends that the Southern Alberta Land Company, Limited, be permitted to select the northeast quarter of Section twenty-two (22), Township fifteen (15), Range seven (7), west of the Fourth Meridian and the northeast quarter of Section thirty-four (34), Township fourteen (14), Range eight (8), west of the Fourth Meridian as part of the area to be purchased by them under the aforesaid agreement and to relinquish the north half of Section seventeen (17), Township fourteen (14), Range seven (7), west of the Fourth Meridian, and that the last mentioned half section be made available for other disposition.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

[3019]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of December, 1915.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1915, from the Minister of the Interior, submitting that the Grand Trunk Pacific Railway and Development Company, Limited, now the Grand Trunk Pacific Development Company, Limited, with a view to acquiring the southeast quarter of section 16 in Township 45, Range 7, west of the Fourth Meridian for townsite purposes paid the entrant thereof sixteen hundred dollars to execute a quit claim deed of the quarter-section in favour of the Company. After filing this quit claim deed in the Department of the Interior the Company found that it could not use this land for townsite purposes and the Department, therefore, decided that the Company should not be allowed to acquire the land.

The Minister states that, as the entrant refused to refund the money paid to him by the company, the Department of the Interior agreed to allow the company to acquire this land in exchange for the southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian which had been transferred to the company for townsite purposes. The company thereupon revested the latter parcel in the Dominion.

The Minister further states that the said southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian along with other lands had been transferred to the Grand Trunk Pacific Town and Development Company for townsite purposes under authority of an Order in Council of the 2nd January, 1908, which authorized the Minister of the Interior to convey the lands to the Company and to enter into an agreement with respect thereto whereby one-fourth of the net proceeds realized from the sales, rentals or other dispositions of the lands should be paid to the Government.

The Minister, therefore, recommends that he be authorized to convey the southeast quarter of Section 16, Township 45, Range 7, west of the Fourth Meridian to the Grand Trunk Pacific Development Company, Limited, in exchange for the said southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian and to enter into an agreement, in the form of the draft agreement hereto annexed, with the Grand Trunk Pacific Railway Company and the Grand Trunk Pacific Development Company, Limited, whereby one-fourth of the net proceeds realized from the disposal of the said southeast quarter of Section 16, Township 45, Range 7, west of the Fourth Meridian or of any portion thereof shall be paid to the Government.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 16th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report dated 25th November, 1915, from the Minister of the Interior, stating that Mr. John Thomas Moore, of the City of Toronto, in the Province of Ontario, is the lessee, under Coal Mining Lease No. 372 dated the 9th February, 1911, of the coal mining rights under certain Dominion lands, namely Legal Subdivisions 2, 3, 6 and 7 of section 33 and Legal Subdivisions 14, 15 and 16 of section 28, lying west of the Saskatchewan river in Township 39, Range 7, west of the 5th Meridian, in the Province of Alberta, the said lease being for the term of twenty-one years computed from the 28th day of October, 1910 :

The Minister further states that Mr. Moore, as the holder of the said Coal Mining Lease No. 372, has complained that irresponsible persons are in the habit of taking coal without authority from the foreshore lands of the said Saskatchewan river adjoining the lands held by him and thereby exposing his mine to the risk of being flooded ; and, for the purpose of protecting the said mining property, has applied for a license of occupation of the said foreshore lands, the same being more particularly described as follows :—

That portion of Legal Subdivision 15 of Section 28 and those portions of Legal Subdivisions 2 and 7 of Section 33, Township 39, Range 7, west of the 5th Meridian which lie between the high and the low water marks of the said river and which are not included in the said Coal Mining Lease No. 372,—

The Minister recommends, in view of the above circumstances, that he be authorized to issue a license of occupation for the said foreshore lands to the said John Thomas Moore the consideration being the nominal sum of one dollar payable on or before the execution of the license, the said license to be appurtenant to and to run concurrently with the said coal mining lease or any renewal thereof and to determine when the said lease determines, but to be subject nevertheless to the proviso that no exclusive right of entry, occupancy or use shall be granted by the said license but only such rights of entry, use or occupation as may in the opinion of the Minister, be required from time to time for the purposes aforesaid and subject also to the further proviso that the said license shall be cancellable at the will of the Minister.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

GENERAL IN COUNCIL.

WHEREAS there are in British Columbia a considerable number of persons of Chinese origin without employment, who, in view of the war conditions, do not feel justified in returning to their native land on account of the possibility of being unable to return within the statutory limited period of twelve months, but, who, if leave of absence period were extended, might return to China on extended visit, thus relieving the present unemployment conditions,—

Therefore His Royal Highness the Governor General in Council, by reason of the war and for the welfare of Canada, is pleased to make and doth hereby make the following Order under Section 6 of The War Measures Act of 1914.

“All Chinese who register out between January 1st, 1916, and June 30th, 1916, may prolong their return to Canada without in any way affecting their right to free re-entry until six months after a proclamation has been published in the *Canada Gazette* declaring that war no longer exists.”

No. 144 of 1915.

(Pacific No. 33.)

All bearings, unless otherwise noted, are true and are given from seaward in degrees from 0° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets, miles are nautical miles, heights are above high water of ordinary spring tides, and all depths are at low water of ordinary spring tides.

## BRITISH COLUMBIA.

## (508) Milbank sound—Hydrographic notes.

The following information relating to Milbank sound has been furnished by Lieut.-Commander P. C. Musgrave, R.N., Officer in charge of the Hydrographic Survey steamer "Lillooet."

*Ivory island*.—Surf point is steep-to, on the south and southwest, depths of 50 fathoms being obtainable at  $1\frac{1}{2}$  cables from the light, and 225 fathoms half a mile to the southwestward.

*White rock* is steep-to, with the exception of its eastern side, where a patch with 2 fathoms lies  $2\frac{1}{2}$  cables  $106^\circ$  (N.  $78^\circ$  E. mag.) from the rock; the rocky ridge, said to extend to the southwest of White rock, does not exist; a depth of 70 fathoms being obtained one cable from it.

*Bare rock* is steep-to on the eastern side, but depths of 11 fathoms extend for two cables northwest of the rock.

*White rock gas beacon*.—On the northeastern extremity of White rock, 60 feet above high water, is exhibited an occulting white light from an acetylene beacon, visible 13 miles from all points of approach. This gas beacon consists of a cylindrical tank surmounted by a pyramidal steel frame supporting the lantern, the whole painted white. (See Notice to Mariners No. 42 (143) of 1915.)

*Cross point*, the southern extremity of Lady island, is low and wooded. A rocky wooded islet forms the extreme of the point. Rocky ledges, drying at low water, with scattered rocky islets, extend for  $3\frac{1}{2}$  cables to the southwest of the point.

*Cross ledge* extends for 6 cables to the southwest of the islet off Cross point. A rock drying 11 feet at low water is situated 5 cables  $225^\circ$  (S.  $17^\circ$  W. mag.) from the islet off Cross point, and shoal ground extends for  $3\frac{1}{2}$  cables from the islet in the same direction; a rock which dries 7 feet at low water is situated 3 cables south of the islet, with deep water at a distance of 4 cables.

*Salal island*, situated west of Lady island, from which it is separated by Clam passage, forms the southern entrance point to Moss passage. The island is  $1\frac{1}{4}$  miles in length, north and south, with a width of  $6\frac{1}{2}$  cables. It is wooded and is 225 feet high to the tops of the trees.

*Boulder head*, the southern extreme of Salal island, is a conspicuous rocky headland.

*Boulder ledge* is situated midway between Cross point and Boulder head. Its shoalest portion is 3 cables long, in a north and south direction, and  $1\frac{1}{2}$  cables wide with rocks drying at low water. The outer of these rocks dries 7 feet and lies 8 cables  $148^\circ$  (S.  $60^\circ$  E. mag.) from Boulder head.

A shoal patch of  $3\frac{1}{2}$  fathoms lies 3 cables to the southwest of last described rock (the southern extremity of the bank) with depths of 18 fathoms found 5 cables in the same southwesterly direction.

There is deep water between the ledge and Lady island, and a deep channel separates it from Boulder bank.

*Boulder bank*, with general depths of 14 to 17 fathoms over it, lies half a mile off the western side of Salal island. Its southern extremity is at 9 cables southwest from Boulder head and its northern extremity ( $2\frac{1}{4}$  miles northward) is 9 cables,  $284^\circ$  (S.  $76^\circ$  W. mag.), from Salal point, the northern end of the island. At 7 cables southwest of Boulder head there is a depth of 16 fathoms. There are two patches of 10 fathoms on the bank; the south one,  $4\frac{1}{2}$  cables  $259^\circ$  (S.  $51^\circ$  W. mag.) from Boulder head, and the other 6 cables to the north and  $2\frac{1}{2}$  cables from the western extreme of the island.

*Vancouver rock* dries 12 feet at low water, lies 3.9 miles  $2^{\circ}$  (N.  $26^{\circ}$  W. mag.) from White rock, and 1.3 miles west of Salal point. The rock is steep-to on its western side, with depths of 12 fathoms  $1\frac{1}{2}$  cables to the north.

Cross point, in line with Boulder head, bearing  $129^{\circ}$  (S.  $79^{\circ}$  E. mag.) leads southward, and Low point seen just open westward of the North island group, bearing  $30^{\circ}$  (N.  $2^{\circ}$  E. mag.), leads westward of Vancouver rock.

*Vancouver rock light and whistle buoy*, moored in 45 fathoms,  $3\frac{1}{2}$  cables westward of Vancouver rock, is a steel cylindrical buoy, painted red, with superstructure, showing an occulting white light, and with whistle sounded by the motion of the waves. (See N. to M. No. 112 (294) of 1907.)

A shoal patch of small extent, with a depth of  $5\frac{1}{2}$  fathoms, lies 9 cables,  $10^{\circ}$  (N.  $18^{\circ}$  W. mag.), from Vancouver rock, and  $3\frac{1}{4}$  cables south of the North island group.

*North island* is the largest of a group of islets situated 1.4 miles north of Vancouver rock, and westward of the south part of Dowager island. It is wooded and 175 feet high to the tops of the trees.

The group of islets extends for half a mile in a north and south direction, and for a quarter of a mile (including the outlying rocks) in an east and west direction.

*North ledges*, consisting of rocky patches drying at low water, are located to the north of North island. They extend from the island to two rocks, the northern of which is situated 2 cables north of North island, is 11 feet high and the most northern islet of the group.

A rock which dries one foot at low water lies  $2\frac{1}{2}$  cables  $328^{\circ}$  (N.  $60^{\circ}$  W. mag.) from the above described rock, and  $224^{\circ}$  (S.  $16^{\circ}$  W. mag.) one mile from Low point. It is steep-to on its western side and has a depth of 12 fathoms 2 cables north of it.

*Cliff island* is situated a little over half a mile north of Salal island, and  $3\frac{1}{2}$  cables from the southwestern extreme of Dowager island. It forms the northern entrance of Moss passage.

The island is triangular in shape, and half a mile in length in an east and west direction; it is wooded, is 235 feet high to the tops of the trees, and the white cliffs forming its southern shore are conspicuous. A wooded islet lies a little over a cable north of Cliff island, with foul ground between them. Rocky ledges extend for  $\frac{3}{4}$  cable west of this islet, and a shoal patch with a depth of  $7\frac{1}{2}$  fathoms lies 4 cables north of it.

*Alexandra passage* is the passage east of Vancouver rock and the North island group and to the west of Cliff island. It is 4 cables wide between the rocky ledges referred to above, and the outlying rocks which dry at low water off North island. The channel is generally deep with the exception of Boulder bank and the east of North island where there is 18 fathoms.

The point forming the eastern extreme of Swindle island open off Low point bearing  $6^{\circ}$  (N.  $22^{\circ}$  W. mag.) is a general mark for leading through.

**DIRECTIONS.**—Bound northward from Seaforth channel by the inshore passage through Milbank sound, keep Idol point well open southward of Ivory island lighthouse, bearing  $111^{\circ}$  (N.  $83^{\circ}$  E. mag.), until Helmet peak comes open of Rankin point, bearing  $34^{\circ}$  (N.  $6^{\circ}$  E. mag.), when course should be shaped to pass midway between Bare rock and Cross ledge, with Ivory island lighthouse astern bearing  $126^{\circ}$  (S.  $82^{\circ}$  E. mag.); when Low point is seen open westward of the North island group, bearing  $30^{\circ}$  (N.  $2^{\circ}$  E. mag.), steer for Jorkins point light.

##### SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

*As Revised and brought in force 22nd March, 1906*

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Mercredi, le 1er jour de décembre 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 novembre 1915, représentant que le capitaine Joseph Elzéar Bernier, du village de Lanzon, dans le comté de Lévis, dans la province de Québec, a récemment demandé au Département de l'Intérieur d'acheter deux terrains non arpentés dans les mers arctiques, l'un situé à Button-Point, sur l'île Bylot, dans la baie de Baffin, contenant 30 acres, sur lequel il a une maison qu'il a achetée en 1910 de M. Robert Kinnes, de Dundee, Ecosse, et l'autre sur l'île de Baffin, à la jonction de la rivière Salmon et de l'anse Pond, contenant 60 acres, sur lequel il a érigé deux maisons. Ces deux terrains ont été occupés pendant les quelques dernières années par le requérant, ou ses agents, pour des stations de pêche et de traite.

Les terrains demandés peuvent être décrits comme suit :

1. Un terrain non arpenté connu sous le nom de Button-Point, sur l'île Bylot, dans la baie de Baffin, dans les mers arctiques, dans la Puissance du Canada, latitude nord approximative de 72 degrés et 53 minutes et longitude ouest approximative de 76 degrés et 15 minutes, et qui peut être décrit plus minutieusement comme suit :

Borné au nord par une ligne tirée franc est et ouest, passant par un point dans une ligne tirée franc nord à partir de la maison érigée sur le dit terrain par un certain Robert Kinnes, de Dundee, dans cette partie de la Grande-Bretagne connue sous le nom d'Ecosse, et achetée du dit Robert Kinnes par le dit Joseph Elzéar Bernier par cession datée le 25 février 1910, laquelle est déposée au Département de l'Intérieur, le dit point étant éloigné de 15 chaînes franc nord de la dite maison ; borné à l'est et à l'ouest par des lignes tirées à angle droit de la dite borne nord et éloignées de dix chaînes perpendiculairement de chaque côté de la ligne nord ci-dessus décrite, et s'étendant vers le sud jusqu'au rivage de la dite île Bylot, et borné au sud par la rive sud de la dite île, et contenant 30 acres, plus ou moins.

2. Un terrain non arpenté sur l'île de Baffin, à l'embouchure de la rivière Salmon, sur la rive sud de l'anse Pond, dans les dites mers arctiques, latitude nord approximative de 72 degrés et 41 minutes et longitude ouest approximative de 78 degrés et 15 minutes, et qui peut être décrit plus minutieusement comme suit : Borné au sud par une ligne tirée sur un relèvement astronomique nord 67 degrés et 30 minutes ouest, et sud 67 degrés et 30 minutes est passant par un point dans une ligne tirée sur un relèvement astronomique sud 22 degrés et 30 minutes ouest à partir de l'intersection du centre de l'embouchure de la dite rivière Salmon, avec la marque des hautes eaux de la rive sud de la dite anse Pond, la dite borne sud étant à une distance de 30 chaînes mesurée le long de la dite ligne, ayant un relèvement sud 22 degrés et 30 minutes ouest ; les bornes est et ouest du dit terrain sont des lignes tirées à une distance de dix chaînes de chaque côté de la ligne ci-dessus décrite et parallèle à cette ligne ayant un relèvement sud 22 degrés et 30 minutes ouest, et la borne nord du dit terrain étant la dite rive sud de l'anse Pond et contenant une superficie de 60 acres, plus ou moins. Les dits terrains numérotés 1 et 2 sont approximativement indiqués en rouge sur la Carte des Arpentages et Découvertes dans les Régions Arctiques, laquelle carte est ci-annexée avec des additions et changements jusqu'en 1911, sur la côte de l'île de Baffin, par J. T. E. Lavoie, I. C.

Le Ministre représente que le capitaine Bernier a fait une déclaration solennelle devant le Greffier des Lois du Département de l'Intérieur à l'effet que personne autre que lui-même n'a de titre quelconque aux terrains ci-dessus mentionnés et qu'ils ne sont occupés par aucune autre personne sauf avec sa permission.

Dans les circonstances, le Ministre est d'avis que la demande soit accordée, —

Par conséquent, le Ministre recommande que les terrains ci-dessus décrits soient vendus au requérant au prix de \$1.00 l'acre, et que dès que paiement aura été fait au Département de l'Intérieur des lettres patentes des dits terrains soient délivrées au capitaine Joseph Elzéar Bernier, ces lettres patentes devant toutefois contenir, en outre des réserves et conditions ordinaires des lettres patentes pour la concession des terres fédérales, un proviso à l'effet que l'Arpenteur Général des terres fédérales peut, en tout temps, faire faire un arpentage des terrains concédés et que sa décision, en ce qui concerne la situation et les bornes de ces terrains et l'étendue de la concession, sera finale, qu'elle s'accorde ou non avec la description contenue dans les lettres patentes.

Le comité agréé cette recommandation et la soumet pour approbation.

ATTENDU que par des arrêtés en conseil du 8 mai 1915 et du 20 septembre 1915 l'autorisation a été donnée d'appliquer les dispositions des articles 22 et 23 de la *Loi des terres fédérales* à tout corps d'hommes qui ont pris du service ou servent actuellement, ou pourront plus tard prendre service dans les armées de la Grande-Bretagne ou d'un des alliés de la Grande-Bretagne, en la présente guerre avec l'Allemagne et l'Autriche, ou avec tout allié de ces pays, et à tout membre d'un tel corps, qu'il soit sujet britannique de naissance ou par naturalisation, ou qu'il soit étranger ;

Et attendu qu'il a été représenté que les dits articles 22 et 23 de la *Loi des terres fédérales* ne s'appliquent qu'aux personnes dont l'inscription de homestead est antérieure à l'enrôlement ou, dans le cas de réservistes, antérieure à la date où ils ont été rappelés au service militaire actif, et que, conséquemment, toute personne qui s'est inscrite pour un homestead après son enrôlement ou après la date de son rappel comme dit ci-dessus, serait sujette aux dispositions du paragraphe 1 de l'article 13 de la *Loi des terres fédérales*, qui prescrit que nulle inscription qui n'a pas été parfaite dans les douze mois à compter de sa date ne sera exemptée de l'annulation pour une période quelconque au delà des douze mois ;

Et attendu que le Ministre de l'Intérieur est d'avis que bien qu'il ne puisse pas être de l'intérêt public d'appliquer les articles 22 et 23 de la loi aux colons qui s'inscrivent pour des homestead après leur enrôlement, ou après la date de leur rappel aux armes, il ne serait pas opportun de permettre que les inscriptions de ces colons soient annulées pendant leur absence en service militaire actif, —

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 6 du chapitre 2, 5 George V, de donner par ces présentes l'autorisation de protéger l'inscription de toute personne qui, étant membre d'un corps militaire servant comme susdit dans les armées de la Grande-Bretagne ou d'un de ses alliés durant la présente guerre européenne, et qui a obtenu cette inscription après son enrôlement, ou après la date de son rappel pour service actif, cette protection devant se continuer durant tout le temps de ce service et pour une période n'excédant pas trois mois après que telle personne a été congédiée du corps militaire avec lequel elle servait.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté du 25 novembre 1915, représentant que M. John Thomas Moore, de la cité de Toronto, province d'Ontario, a obtenu la concession, sous bail minier n° 372 pour l'extraction de la houille, le 9 février 1911, de droits miniers dans certaines terres fédérales, savoir : subdivisions légales 2, 3, 6 et 7 de la section 33 et les subdivisions légales 14, 15 et 16 de la section 28, situées à l'ouest de la rivière Saskatchewan, dans le township 39, rang 7, à l'ouest du 5e méridien, dans la province d'Alberta. Ce bail couvre une période de 21 ans à partir du 28 octobre 1910.

Le Ministre ajoute que M. Moore, concessionnaire susdit du dit bail minier n° 372, s'est plaint de ce que certaines personnes ont l'habitude d'extraire, sans y être autorisées, de la houille du rivage de la dite rivière Saskatchewan près de ses propres claims houillers, qui se trouvent ainsi exposés à être inondés ; et afin de protéger ses dits claims houillers M. Moore a demandé une licence d'occupation du dit rivage de la rivière Saskatchewan, qui peut être décrit plus minutieusement comme suit :

Toute cette partie de la subdivision légale 15 de la section 28 et les parties des subdivisions légales 2 et 7 de la section 33, township 39, rang 7, à l'ouest du 5e méridien, et comprise entre le point des eaux hautes et celui des eaux basses de la dite rivière et qui ne sont pas compris dans le dit bail minier n° 372.

Vu ces circonstances, le ministre recommande qu'on l'autorise à donner une licence d'occupation du dit terrain de grève à M. Moore moyennant le prix nominal d'un dollar payable à l'émission de la dite licence, laquelle fera partie du dit bail minier ou de tout renouvellement de ce bail et se terminera en même temps que le dit bail ; toutefois le bail est sujet à la condition qu'aucun droit exclusif d'entrée, d'occupation ou d'exploitation ne sera accordé par la dite licence, mais les seuls droits d'entrée, d'exploitation ou d'occupation qui, de l'avis du Ministre, pourront être nécessaires de temps à autres pour les fins susdites, et sujet aussi à cette autre condition que la dite licence peut être annulée au gré du Ministre.

Le comité agréé cette recommandation et la soumet pour approbation.

I L plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes l'émission de permis de pâturage sur les terres vacantes de la province de Manitoba, dénommées auparavant terres marécageuses, mais dont le titre est maintenant attribué à la Couronne, aux conditions suivantes:

(1) La superficie maximum concédée à une seule personne ou compagnie n'excèdera pas une section.

(2) Les permis ne seront émis que pour les terres qui, après inspection par un fonctionnaire du Département de l'Intérieur, auront été trouvées impropres à l'agriculture, ou les terres à foin concédées sous l'empire des terres fédérales.

(3) Le loyer sera de 2 cents l'acre par année, payable d'avance chaque semestre.

(4) Toutes les demandes doivent être faites à l'agent des terres fédérales pour le district dans lequel le terrain est situé et doivent être accompagnées du loyer du premier semestre.

(5) Au reçu de la demande l'agent réservera les terrains disponibles demandés en attendant la décision du département quant à la concession du permis.

(6) Avant que le permis soit accordé le requérant devra afficher des avis de sa demande dans au moins quatre endroits différents bien en vue sur les terres demandées, et aussi dans le bureau de poste le plus rapproché, pendant 30 jours, et souscrire à une déclaration statutaire de ce fait.

(7) Dans les six mois de la date du permis le concessionnaire devra placer sur le terrain qui lui est concédé non moins qu'une tête de bétail ou un cheval d'au delà d'un an, ou cinq moutons, qui lui appartiennent en propre, pour chaque trente acres de terrain.

(8) Le concessionnaire gardera sur le terrain concédé le nombre requis d'animaux, et le premier juillet de chaque année il devra présenter une déclaration statutaire indiquant le nombre d'animaux qu'il a sur le terrain à cette date.

(9) Le permis expire le 31e jour de décembre qui suit la date de son émission.

(10) La concession d'un permis ne donne pas au concessionnaire le droit au renouvellement, mais le Ministre peut, à sa discrétion, renouveler les permis d'année en année, et dans ce cas le concessionnaire a le premier droit au renouvellement ; mais la demande de renouvellement doit être faite au département le plus tard le premier décembre précédant l'expiration du permis et doit être accompagnée du loyer pour le premier semestre de l'année suivante.

(11) Aucuns bâtiments ne seront érigés sur le terrain compris dans le permis, sauf ceux qui peuvent être nécessaires pour abriter le bétail.

(12) Si le concessionnaire n'obtient pas un renouvellement à l'expiration du permis, il aura le droit d'enlever dans un délai raisonnable tout bâtiment temporaire ou clôture qu'il pourra avoir érigés sur le terrain qu'il détenait.

(13) Le concessionnaire a droit au foin produit sur le terrain compris dans son permis, comme fourrage pour son bétail, mais il ne lui est pas permis de le vendre ou de l'échanger.

(14) Si le concessionnaire désire mettre des moutons en pâturage, ils doivent être enclos par une clôture qu'ils ne peuvent franchir.

(15) Le permis ne peut se transférer.

(16) Le permis est sujet à annulation sommaire dès que le concessionnaire néglige d'observer une condition quelconque des présents règlements, et aussi pour toute fausse représentation de sa part au sujet d'un fait important.

ATTENDU que les règlements de pêche pour les provinces de Manitoba, Saskatchewan et Alberta et les territoires situés au nord de ces provinces, défendent la pêche de l'esturgeon dans ces provinces et territoires pour une période de quatre ans se terminant le 31 décembre 1915 ;

Et attendu que ces règlements prescrivent aussi que lorsque cette pêche sera reprise elle pourra se continuer pendant toute l'année, à l'exception de la brève saison close du 15 mai au 15 juin, avec des rets trémaillés dont les mailles n'auront pas moins que 14 pouces d'extension et avec des hameçons amorcés ;

Et attendu qu'au cours de l'été dernier le Département du Service Naval s'est enquis par l'entremise des inspecteurs locaux des pêcheries si l'esturgeon était maintenant assez abondant pour permettre la reprise de la pêche de ce poisson à l'expiration de l'année présente et, tel étant le cas, si les règlements actuels sont adéquats ;

Et attendu que ces fonctionnaires ont fait rapport que les règlements annuels ne sont pas adéquats, mais qu'avec des règlements convenables cette pêche pourrait être reprise en toute sûreté ;

Et attendu que ces fonctionnaires sont d'avis que la saison de pêche devrait être limitée à quelques mois chaque année et que, comme le frai de l'esturgeon, dont est fait le caviar si estimé du commerce est ordinairement tout perdu si la pêche se poursuit pendant l'hiver, la saison devrait être limitée à la période de l'été commençant le 16 juin et se terminant le 15 octobre ;

Et attendu que ces fonctionnaires ont aussi constaté que l'esturgeon du lac Winnipeg atteint une plus grande taille que celui des autres eaux de ces provinces ; mais que même dans le lac Winnipeg la pêche ne saurait être profitable avec des rets dont les mailles auraient plus de douze pouces d'extension, et dans les autres eaux avec des rets dont les mailles auraient plus de onze pouces d'extension ;

Et attendu que les fonctionnaires compétents du Département du Service Naval, qui sont chargés de l'administration des pêcheries, sont de l'avis des inspecteurs locaux des pêcheries et recommandent que les règlements actuels soient modifiés en conséquence, et que le Ministre du Service Naval agréé cette recommandation,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions de l'article 45 de la *Loi des pêcheries*, 4-5 George V, chapitre 8, de décréter par ces présentes ce qui suit, savoir :

Les articles 10, 32 et 38 des règlements de pêche spéciaux pour la province de Manitoba, adoptés par un arrêté en conseil du 9 février 1915, et les règlements 10, 17 et 21 des règlements de pêche spéciaux pour les provinces de Saskatchewan et Alberta et les territoires situés au nord de ces provinces, aussi adoptés par un arrêté en conseil du 9 février 1915, sont rescindés et les règlements suivants leur sont substitués, savoir :

## ESTURGEON.

1. Personne ne pêchera, prendra ou tuera de l'esturgeon autrement qu'au moyen de rets trémaillés ou d'hameçons amorcés.

2. (a) Le permis de pêche à l'esturgeon pour le commerce autorise l'emploi d'au plus 500 verges de rets trémaillés ou de 500 hameçons amorcés. L'honoraire est de \$5.00.

(b) Le permis de pêche à l'esturgeon pour les fins domestiques autorise l'emploi d'au plus 100 verges de rets trémaillés ou de 50 hameçons amorcés.

3. (a) Les mailles des rets trémaillés pour la pêche à l'esturgeon dans le lac Winnipeg, Manitoba, n'auront pas moins que douze pouces d'extension, et les mailles de ces rets pour la pêche dans toutes autres eaux des provinces de Manitoba, Saskatchewan, Alberta et des territoires situés au nord de ces provinces n'auront pas moins de onze pouces d'extension, quand ces rets serviront à la pêche.

(b) Les empiles auxquelles sont fixés les hameçons amorcés seront attachées aux cordeaux à des intervalles de pas moins que trois pieds.

4. Est permise la pêche à l'esturgeon pour des fins commerciales dans la rivière Winnipeg, Manitoba, en amont d'une ligne traversant cette rivière du moulin Papineau à la pointe Sproule, laquelle ligne est à environ un demi mille en aval de Pine Falls.

5. Ne sera gardé aucun esturgeon pesant moins que 18 livres, poids vif, et tout esturgeon pesant moins que 18 livres, poids vif, sera immédiatement rejeté vivant et, si possible, sans mal dans les eaux d'où il a été tiré par la personne qui l'a pris.

6. Le parquemet et la mise à l'attache de l'esturgeon sont prohibés.

7. D'après le permis de pêche à l'esturgeon pour les fins domestiques on ne peut prendre plus que trois esturgeons par semaine. Quand ce nombre a été pris sous l'empire d'un permis dans une semaine quelconque, les rets trémaillés ou hameçons amorcés, suivant le cas, dont l'emploi est autorisé par le permis, seront enlevés de l'eau et ne devront pas y être remis pour le reste de cette semaine.

8. Personne ne pêchera, prendra, tuera ou vendra de l'esturgeon du 16 octobre de chaque année au 15 juin suivant, ces deux jours compris.

Un comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 7 décembre 1915, représentant que MM. T. S. Hall et Charles Damaske, de New-Westminster, ont demandé au Département de l'Intérieur le bail de la partie des sections 5, 6, 7 et 8, dans le township 3, rang 28, à l'ouest du 6e méridien, comprenant le lit submergé du lac Cheam, dans la zone des chemins de fer de la province de la Colombie-Britannique, dans le but d'en extraire un dépôt de chaux désintégrée pour servir comme engrais.

Le ministre représente que le sous-ministre du Département de l'Agriculture de la province de la Colombie-Britannique, dans une communication datée le 27 février 1912, déclare qu'il souscrit entièrement aux représentations qui ont été faites qu'il existait un grand besoin de chaux pulvérisée à des prix raisonnables pour les fins agricoles et que la chaux ne pouvait être utilisée sous une meilleure forme.

Le ministre ajoute qu'il appert que les autorités provinciales ont fait une concession d'une charge d'eau de 300 pouces du lac Sheam pour usages domestiques et pour l'énergie hydraulique, et que des inscriptions ont été accordées pour deux claims miniers comprenant une partie du lit de ce lac.

En vue de la demande qui semble exister pour la chaux devant être utilisée pour les fins agricoles, le ministre recommande qu'il soit autorisé à permettre à MM. T. S. Hall et Charles Damaske d'extraire au moyen de dragues ou de pompes ce dépôt de chaux désintégrée du lit du lac, aux conditions suivantes :

(1) Le terme du bail sera de cinq ans et le loyer de 25 cents l'acre par année payable d'avance.

(2) Le bail est sujet à tout droit quelconque concédé sur les eaux du lac ou les minéraux qui y gisent.

3. Le concessionnaire doit installer, dans le délai d'un an de la date du bail, l'outillage nécessaire pour pomper ou draguer ce dépôt de chaux, cet outillage devant être d'une valeur d'au moins \$2,500 et le concessionnaire devant fournir la preuve satisfaisante que l'installation en a été faite dans le délai spécifié.

4. Pendant chaque année de la durée du bail le concessionnaire devra exercer les droits qui lui sont concédés avec toute diligence raisonnable et chaque année extraire et préparer pour l'expédition non moins que 1,000 tonnes du dépôt ci-dessus mentionné et fournir la preuve satisfaisante de telle production.

5. Le concessionnaire ne devra détourner ou retirer aucune quantité des eaux du lac, ses droits se limitant à l'extraction par le procédé susdit du dépôt de chaux qu'il est représenté y avoir dans le lac.

6. La négligence de se conformer à une condition quelconque du bail le rendra sujet à annulation immédiate à la discrétion du ministre de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 décembre 1915, représentant que M. Cecil John Watkins a obtenu une inscription de homestead pour le quart nord-ouest de la section 14, township 36, rang 10, à l'ouest du 2e méridien, le 15 novembre 1911.

Le Ministre déclare que d'après les renseignements reçus ce colon s'est acquitté des obligations suivantes de résidence :

Du 15 décembre 1911 au 10 avril 1913.

Améliorations :

Puits .....	15 00

Il a été représenté au Département de l'Intérieur que M. Watkins souffre de tuberculose pulmonaire et qu'il est actuellement alité et n'entretient aucun espoir de pouvoir revenir de l'Angleterre.

Le Ministre soumet la copie ci-annexée d'un certificat médical et, en vue des déclarations qui y sont contenues, il recommande que M. Watkins soit exempté de toute autre obligation de résidence et qu'en vertu des dispositions du paragraphe 2 de l'article 20 du chapitre 20, 7-8 Edouard VII, les lettres patentes de son homestead lui soient accordées dès qu'il aura prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité soumet cette recommandation pour approbation.

# COMMISSION DU SERVICE CIVIL.

LES Commissaires du Service civil donnent avis que des demandes seront reçues de la part de candidats capables de remplir la position ci-dessous :

Un médecin dans la marine royale canadienne, qui devra prendre un engagement de trois ans, lequel engagement pourra être porté à cinq ans. Les médecins ont le rang de lieutenant et ont préséance d'après la date de leur brevet. Ils reçoivent \$4 par jour à leur admission et \$5 par jour après 3 ans. Les candidats doivent être sujets britanniques et ne pas avoir plus de 30 ans le 1er octobre 1916. Ils doivent être parfaitement qualifiés comme praticiens et gradués d'un collège médical canadien, ou être nés au pays ; ils doivent de plus pouvoir prouver qu'ils ont eu au moins une année de pratique depuis qu'ils sont diplômés. Un certain nombre des aspirants seront choisis et il y aura concours entre eux, sur des sujets relevant de la profession. Le candidat heureux devra subir un examen médical quant à ses aptitudes physiques pour le service.

Les formules de demande, dûment remplies et accompagnées d'une preuve d'âge suffisante, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 10 janvier prochain. On peut obtenir ces formules en s'adressant au Secrétaire de la Commission, à Ottawa.

Les conditions suivantes doivent être remplies relativement à la nomination des médecins dans la marine royale canadienne :—

Une somme de \$150 sera allouée aux médecins à leur entrée afin de leur aider à se procurer l'uniforme nécessaire ; l'achat d'un grand uniforme, d'un ceinturon d'épée de grand uniforme et d'un uniforme de bal sera libre, mais il doit être compris que les officiers ne peuvent assister aux cérémonies où ces costumes sont portés à moins d'avoir l'uniforme qui convient.

Les médecins quittant le service au bout de trois ans recevront, s'ils ont donné satisfaction, une gratification de \$1,000, et de \$1,500 au bout de cinq ans ; mais ils doivent se faire mettre sur la réserve des officiers médicaux.

Les officiers sur la réserve des officiers médicaux sont tenus de prendre du service dans le Service naval en cas de guerre ou d'urgence ; ils doivent s'engager à demeurer dans la réserve au moins cinq ans et ils recevront des honoraires d'engagement de \$150 par année ; et, à l'expiration de ce terme, ils peuvent prendre un autre engagement de cinq ans, avec mêmes honoraires d'engagement.

Les officiers de la réserve appelés à prendre du service en temps de guerre ou d'urgence recevront \$5.00 par jour. Si, au cours de ce nouvel emploi, ils sont blessés dans l'exercice de leurs fonctions, ou perdent la vie par suite d'accidents attribuables au service, leur cas relèvera pour tout ce qui touche les compensations pour eux-mêmes, ou la pension et le dédommagement à accorder à la veuve et aux enfants, des mêmes règlements que ceux qui régissent les cas des officiers du même rang en service actif.

Les officiers pourront porter l'uniforme de leur rang lorsqu'ils seront sur la réserve des officiers médicaux.

Par ordre de la Commission,

WM FORAN,  
Secrétaire.

| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. Une compagnie de télégraphe ou de téléphone :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicomis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

#### SENAT.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il doit insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

### Avis de bills privés.

#### EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

### CENSUS AND STATISTICS OFFICE

OTTAWA, December 15, 1915.

This Office has been directed by Order-in-Council dated the eighth day of December, 1915, to take a Postal Census of the Manufactures of the Dominion, for the year 1915. The name of your establishment appears on the records of the Office as engaged in manufacturing. You are requested, therefore, to fill out the schedule on pages 3 and 4 herewith, and return not later than January 21, 1916, the information to cover the year ended December 31, 1915, or the last financial year of your establishment.

The schedule will be treated as absolutely confidential by clerks sworn to secrecy, and will be used only in tabulations which will not reveal individual business; where less than three industries of a kind are given for a district, province, or the Dominion, the statistics will be presented only in a general class. To insure secrecy this front leaf will be detached before tabulation so that compiling clerks may not know whose schedules are passing through their hands. The facts supplied by you will not be used as a basis of any system of taxation or other liability, and will not be disclosed to any municipal or provincial authority, or to any other Department of the Dominion Government.

The schedule must be certified (see form below) and the post office address of the general office given in order that this Office may communicate with you readily.

Your reply should be forwarded by registered mail. **Please use enclosed envelope which is postage free.**

The provisions of the Census and Statistics Act (R. S. C., Chapter 68), defining the obligations of owners, managers and other responsible persons with regard to the sending in of this schedule will be found on page 2.

A duplicate of the schedule (pages 3 and 4) is enclosed herewith in order that you may retain a copy of the information you furnish. It is suggested that this copy be kept on your permanent files for possible use in connection with subsequent requests for information.

**Statistics of manufactures to be of the greatest value should be published at the earliest possible moment after the collection of the data.** You are requested in the special interests of the industrial and commercial community, to co-operate with this Office by sending in this schedule completely and correctly filled out, immediately or as soon as possible after receiving this communication.

## BUREAU DES RECENSEMENTS ET STATISTIQUES

OTTAWA, 15 décembre 1915

Ce Bureau a été chargé par un Arrêté du Conseil en date du huitième jour de décembre, 1915, de prendre un recensement postal des manufactures du Canada pour l'année 1915. Le nom de votre établissement se trouve sur les listes de ce Bureau ayant rapport aux manufactures. En conséquence vous voudrez bien remplir les pages 3 et 4 de la présente formule et nous la renvoyer pas plus tard que le 21 janvier 1916 ; les renseignements doivent couvrir l'année se terminant le 31 décembre 1915, ou la dernière année financière de votre établissement.

La formule remplie sera considérée comme absolument confidentielle par les employés de ce Bureau qui sont tous tenus sous serment de garder le secret, et les chiffres seuls en seront donnés dans les tableaux collectifs de manière à ce que rien des affaires individuelles ne soit révélé ; là où moins de trois établissements d'une même espèce sont donnés pour un district, une province ou tout le Canada, les chiffres en seront présentés dans une classe générale seulement. Et afin d'assurer le secret complet, cette première feuille du tableau sera détachée avant d'en faire la compilation, et les compilateurs ne verront que les chiffres sans savoir d'où viennent les tableaux. Les renseignements fournis par vous ne seront pas employés comme base d'aucun système de taxes ou d'autres obligations, et ne seront dévoilés à aucune autorité, soit municipale, provinciale ou fédérale.

Le tableau devra être certifié (voir formule au bas de la page) et l'adresse postale du bureau général devra être donnée afin de permettre à ce Bureau de communiquer avec vous.

Votre réponse devrait être transmise par lettre enregistrée. Veuillez vous servir de l'enveloppe ci-jointe qui vous dispense des frais de poste.

Les dispositions de l'acte des recensements et statistiques (S.R.C. Chapitre 68) définissant les obligations des propriétaires, gérants ou autres personnes responsables concernant l'envoi de la présente formule, se trouvent sur la page 2.

Un double de la formule (pages 3 et 4) vous est inclus afin que vous puissiez conserver une copie des renseignements que vous aurez fournis. Il serait bon même de garder cette copie sur vos liasses dans le cas où vous auriez à vous en servir en vue d'autres demandes de renseignements.

Pour être d'une plus grande valeur les statistiques des manufactures devraient être publiées aussitôt que les données en sont recueillies. Vous êtes donc requis, dans l'intérêt de la classe industrielle comme dans celui de la classe commerciale, de seconder les efforts de ce Bureau en renvoyant cette formule, complètement et correctement remplie, immédiatement ou le plus tôt possible après réception de cette communication.

*Robert H. Coats.*

Statisticien du Dominion et Contrôleur du recensement.

## DÉLITS ET PÉNALITÉS SOUS LA LOI DES RECENSEMENTS ET STATISTIQUES

### S.R.C., (Chapitre 68.)

46. Quiconque sciemment et sans légitime excuse, refuse ou néglige de remplir au mieux de sa connaissance et de sa croyance un imprimé qu'il a été requis de remplir par un recenseur ou une autre personne employée à la mise à exécution de la présente loi, ou refuse ou néglige de le signer ou de le remettre au moment et de la manière qu'il en est requis, ou qui fait, signe ou remet, ou fait faire, signer ou remettre une réponse ou une déclaration sciemment fausse sur quelque renseignement demandé audit imprimé, est passible d'une amende de dix à cent dollars.

47. Quiconque sans excuse légitime refuse ou néglige de répondre ou sciemment répond faussement à une question nécessaire pour l'obtention de renseignements recherchés pour les fins de la présente loi, ou qui s'y rapportent, et à lui faite par un recenseur ou par une autre personne employée à la mise à exécution de la présente loi, encourt, pour ce refus ou cette négligence ou pour cette réponse sciemment fausse, une amende de cinq à cinquante dollars.

48. Quiconque d'autre façon, sans excuse légitime, refuse ou néglige de fournir les renseignements qui lui sont demandés sous l'autorité de la présente loi, ou sciemment donne de faux renseignements ou exerce dans le domaine de la dite loi une déception quelconque, est passible d'une amende de dix à cent dollars.

#### *Avis.*

49. Le fait qu'un recenseur a laissé dans une maison ou dans un logement un bulletin paraissant émis sous l'autorité de la présente loi et contenant un avis requérant qu'il soit rempli et signé dans un délai déterminé par l'occupant de cette maison ou de ce logement, ou en son absence par quelque autre membre de la famille, constitue, vis-à-vis de l'occupant, une suffisante injonc-

tion de remplir et de signer le bulletin, bien que l'occupant ne soit pas dénommé dans l'avis, ou qu'il n'ait pas reçu la signification en personne.

50. Le fait qu'un recenseur ou un agent a laissé au bureau ou autre lieu d'affaires d'une personne ou d'une raison sociale ou d'une corporation ou corps public, ou qu'il a été délivré par voie de lettre enregistrée à une personne, à une raison sociale ou corporation ou corps public ou à son agent, un bulletin de ce genre, contenant un avis, requérant qu'il soit, dans un certain délai déterminé, rempli et signé, constitue vis-à-vis de cette personne, de cette raison sociale ou des membres qui en font partie et de chacun d'eux, ou vis-à-vis de la corporation ou corps public, une injonction suffisante de remplir et de signer le tableau, et, si l'avis le requiert, d'expédier le bulletin par la poste dans un délai déterminé au bureau du recensement et des statistiques.

#### *Perception des amendes.*

51. Les amendes ci-dessus établies peuvent se recouvrer d'une manière sommaire à la poursuite de tout fonctionnaire, commissaire de recensement, recenseur, ou de toute autre personne employée à la mise à exécution de la présente loi, devant un juge de paix muni de juridiction dans l'endroit où la contravention a été commise, et peuvent être imposées et recouvrées aussi souvent qu'une contravention est commise, jusqu'à ce que les prescriptions de la présente loi aient été pleinement mises à exécution à la satisfaction du ministre.

(2) Moitié de cette amende appartient à la Couronne et est attribuée aux besoins publics du Canada, et l'autre moitié au poursuivant, à moins qu'il n'ait été examiné comme témoin pour établir la contravention, auquel cas le tout appartient à la Couronne pour les fins susdites.

The Members of the Senate being assembled, the Deputy Governor was pleased to desire the attendance of the House of Commons; and the House being present, the Speaker of the Senate said, on behalf of the Deputy Governor, that he had it in command to let them know that His Royal Highness the Governor General did not think fit to declare the causes for which the present Session of Parliament has been summoned until a Speaker of the House of Commons had been chosen according to law; but, to-morrow, at the hour of THREE o'clock in the afternoon, His Royal Highness will declare the causes of his calling this Parliament.

After which the Members of the House of Commons withdrew to their own Chamber. The Deputy Governor then retired.

## PUISSANCE DU CANADA.

### SALLE DU SENAT.

OTTAWA, mercredi, 12 janvier 1916.

Aujourd'hui, à TROIS heures p.m., le Très honorable Sir CHARLES FITZPATRICK, G.C.M.G., Juge en chef du Canada, et député de Son Altesse Royale le Gouverneur général, s'est rendu à la Salle du Sénat, dans l'édifice du Parlement, et a pris son siège au pied du Trône. Les membres du Sénat étant assemblés, il a plu au Député du Gouverneur d'y faire inviter la présence de la Chambre des Communes; et cette Chambre s'y étant rendue, le Président du Sénat a dit de la part du Député du Gouverneur, qu'il avait ordre de les informer que Son Altesse Royale le Gouverneur général ne jugeait pas à propos de déclarer les causes pour lesquelles le présent Parlement avait été convoqué avant qu'il ait été procédé, suivant la loi, au choix d'un Orateur pour la Chambre des Communes; mais que demain, à TROIS heures de l'après-midi, Son Altesse Royale ferait connaître les causes pour lesquelles il avait convoqué ce parlement.

Après quoi les membres de la Chambre des Communes se sont retirés à leur Chambre. Alors le Député du Gouverneur s'est aussi retiré.

# CHAMBER OF THE SENATE.

OTTAWA, Thursday, 13th January, 1916.

This day, at THREE o'clock p.m., HIS ROYAL HIGHNESS THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Royal Highness was pleased to command the attendance of the House of Commons, and that House being present, HIS ROYAL HIGHNESS was pleased to open the SIXTH SESSION of the TWELFTH PARLIAMENT OF THE DOMINION OF CANADA with the following Speech :—

*Honourable Gentlemen of the Senate :*

*Gentlemen of the House of Commons :*

Since I last addressed you the war in which we are engaged has been continued with unabated vigour and varying fortunes.

The Empire's part therein has been amply maintained at sea by the inspiring achievements of the Navy, and on land by the distinguished valour of the great armies which have enrolled themselves in all parts of His Majesty's Dominions for the common defence of our liberties.

In a spirit of splendid loyalty and unfaltering devotion, India and the Overseas Dominions have vied with each other in co-operating with the Mother Country to achieve this great purpose.

The call to service has evoked a widespread and notable response in Canada. Already 120,000 men have crossed the seas, an equal number is now being actively trained and equipped for service abroad, and a call extending the authorized enlistment to half a million men has been received with warm enthusiasm.

At the front our gallant soldiers have met the enemy in repeated contests, and by their pre-eminent courage and heroic endurance have shed lustre upon their country and upheld its highest traditions.

Equally praiseworthy and impressive has been the self-sacrificing and loyal spirit shown by all the Canadian people who have freely dedicated their manhood and substance to the common defence of the Empire.

The life of the present Parliament expires in the autumn of this year, and, under existing legislation, a dissolution and election would be necessary in the early future. My advisers, however, are of the opinion that the wishes of the Canadian people and the present requirements of the war would be best met by avoiding the distraction and confusion consequent upon a general election at so critical a time.

That purpose can only be effected through the medium of legislation by the Parliament of the United Kingdom. A resolution authorizing and requesting the enactment of such legislation as will extend the life of this Parliament for the period of one year will be presented to you.

Measures will be submitted for your consideration to further the effective co-operation of Canada in the defence of the Empire and in the maintenance of this war waged for liberty and lasting peace.

# SALLE DU SÉNAT.

OTTAWA, jeudi, 13 janvier 1916.

Aujourd'hui, à TROIS heures p.m., SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL s'est rendu, avec le cérémonial ordinaire, à la Salle du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat étant assemblés, il a prié Son Altesse Royale d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, SON ALTESSE ROYALE a ouvert la SIXIÈME SESSION du DOUZIÈME PARLEMENT DU DOMINION DU CANADA, par le discours suivant :—

*Honorables Messieurs du Sénat :*

*Messieurs de la Chambre des Communes :*

Depuis la dernière fois que je vous ai adressé la parole, la guerre dans laquelle nous sommes engagés a été continuée sans relâche avec vigueur et avec une fortune variée.

Le rôle de l'Empire a été amplement rempli sur mer par les exploits inspirateurs de la marine, et sur terre par la valeur éminente des grandes armées qui se sont enrôlées volontairement dans toutes les parties des domaines de Sa Majesté pour la défense commune de nos libertés.

Avec un esprit de loyauté superbe et de dévouement inlassable, l'Inde et les domaines d'outre-mer ont rivalisé les uns avec les autres en coopérant avec la mère patrie pour accomplir ce grand dessein.

L'appel aux armes a évoqué une réponse générale et marquante au Canada. Déjà 120,000 hommes ont traversé les mers : un nombre égal s'entraînent activement à l'heure qu'il est, pour se préparer à servir au delà des mers ; et un appel étendant l'enrôlement autorisé à un demi-million d'hommes a été reçu avec grand enthousiasme.

Sur le front, nos vaillants soldats ont fait face à l'ennemi dans maints combats, et, grâce à leur courage éminent et à leur endurance héroïque, ont répandu un grand lustre sur leur pays et maintenu ses plus belles traditions de bravoure.

L'esprit de sacrifice et la loyauté déployés par tout le peuple du Canada sont dignes des mêmes louanges et aussi impressionnants, car il a consacré ses forces et sa vitalité à la défense commune de l'Empire.

L'existence du Parlement actuel doit prendre fin à l'automne de cette année ; et, d'après la loi existante, une dissolution du Parlement et une élection seraient prochainement nécessaires. Mes conseillers, cependant, sont d'avis que l'on répondrait mieux au désir du peuple canadien et aux nécessités présentes de la guerre en évitant le trouble et la confusion, résultant d'une élection générale à un moment aussi critique.

On ne peut arriver à cette fin que par le moyen d'une législation du Parlement du Royaume-Uni. Il vous sera présenté une résolution autorisant et demandant l'adoption d'une telle législation qui prolongerait la vie de ce Parlement d'une année.

Il vous sera présenté des mesures à l'effet de promouvoir la coopération du Canada à la défense de l'Empire et à la continuation de cette guerre engagée pour la liberté et une paix durable.

It is a matter for profound thankfulness that Providence has blessed the labours of our husbandmen during the past year with the most bountiful harvest in the history of Canada.

*Gentlemen of the House of Commons :*

The accounts for the last, and the estimates for the next fiscal year will be submitted to you without delay, and you will be asked to make the necessary financial provision for the effective conduct of the war.

*Honourable Gentlemen of the Senate :*

*Gentlemen of the House of Commons :*

The high courage, the splendid heroism, and the unalterable determination which have marked the united efforts of all portions of His Majesty's Dominions, during a year of unprecedented strain and effort, justify our supreme confidence in the triumph of our cause and in the lasting affirmation of the principles of liberty and justice throughout the world. I commend to your earnest consideration the measures which will be submitted to you for aiding in the great purpose, and I pray that the Divine blessing may rest upon your counsels.

After which the Members of the House of Commons withdrew to their own Chamber. The Deputy Governor then retired.

#### CHAMBER OF THE SENATE.

OTTAWA, Thursday, 13th January, 1916.

This day, at THREE o'clock p.m., HIS ROYAL HIGHNESS THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Royal Highness was pleased to command the attendance of the House of Commons, and that House being present, HIS ROYAL HIGHNESS was pleased to open the SIXTH SESSION of the TWELFTH PARLIAMENT OF THE DOMINION OF CANADA with the following Speech :—

*Honourable Gentlemen of the Senat :*

*Gentlemen of the House of Commons :*

Since I last addressed you the war in which we are engaged has been continued with unabated vigour and varying fortunes.

The Empire's part therein has been amply maintained at sea by the inspiring achievements of the Navy, and on land by the distinguished valour of the great armies which have enrolled themselves in all parts of His Majesty's Dominions for the common defence of our liberties.

In a spirit of splendid loyalty and unfaltering devotion, India and the Overseas Dominions have vied with each other in co-operating with the Mother Country to achieve this great purpose.

The call to service has evoked a widespread and notable response in Canada. Already 120,000 men have crossed the seas, an equal number is now being actively trained and equipped for service abroad, and a call extending the authorized enlistment to half a million men has been received with warm enthusiasm.

At the front our gallant soldiers have met the enemy in repeated contests, and by their pre-eminent courage and heroic endurance have shed lustre upon their country and upheld its highest traditions.

Equally praiseworthy and impressive has been the self-sacrificing and loyal spirit shown by all the Canadian people who have freely dedicated their manhood and substance to the common defence of the Empire.

The life of the present Parliament expires in the autumn of this year, and, under existing legislation, a dissolution and election would be necessary in the early future. My advisers, however, are of the opinion that the wishes of the Canadian people and the present requirements of the war would be best met by avoiding the distraction and confusion consequent upon a general election at so critical a time.

That purpose can only be effected through the medium of legislation by the Parliament of the United Kingdom. A resolution authorizing and requesting the enactment of such legislation as will extend the life of this Parliament for the period of one year will be presented to you.

Measures will be submitted for your consideration to further the effective co-operation of Canada in the defence of the Empire and in the maintenance of this war waged for liberty and lasting peace.

It is a matter for profound thankfulness that Providence has blessed the labours of our husbandmen during the past year with the most bountiful harvest in the history of Canada.

*Gentlemen of the House of Commons :*

The accounts for the last, and the estimates for the next fiscal year will be submitted to you without delay, and you will be asked to make the necessary financial provision for the effective conduct of the war.

*Honourable Gentlemen of the Senate :*

*Gentlemen of the House of Commons :*

The high courage, the splendid heroism, and the unalterable determination which have marked the united efforts of all portions of His Majesty's Dominions, during a year of unprecedented strain and effort, justify our supreme confidence in the triumph of our cause and in the lasting affirmation of the principles of liberty and justice throughout the world. ## AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1915, from the Minister of the Interior, stating that, pursuant to the authority of an Order in Council dated the 26th day of June, 1906, an agreement was executed for the sale to the Robins Irrigation Company of 380,573 acres of land, comprising the estimated vacant and available area within a tract described in the said agreement.

That on the 26th day of December, 1906, the Authority of Council was given for the transfer of the right and interest of the Robins Irrigation Company in the aforesaid agreement to The Southern Alberta Land Company, Limited, and such transfer was duly made.

That in the first selection of lands made by The Southern Alberta Land Company, Limited, under the aforesaid agreement, there was included the northeast quarter of Section Twenty-two (22), Township fifteen (15), Range seven (7), west of the Fourth Meridian and the northeast quarter of Section thirty-four (34), Township fourteen (14), Range eight (8), west of the Fourth Meridian. Both of these quarter sections were then held under homestead entry and, therefore, the company's selection was not confirmed. These lands were never occupied by the entrants and the entries have since been cancelled.

The Southern Alberta Land Company, Limited, have reported that the Canadian Wheatlands, Limited, who are under contract to purchase certain of their lands, acting under the erroneous assumption that these two quarter sections had been purchased by The Southern Alberta Land Company—had cultivated and cropped portions thereof. This information has been verified by an inspection made by the Superintendent of Irrigation ; also by a homestead inspector's report, which shows that all of both quarter sections had been broken and cultivated.

Portions of both these quarter sections are irrigable from the works now under construction and in order to protect the improvements made thereon by the Canadian Wheatlands, Limited, the Southern Alberta Land Company, Limited, have requested permission to acquire these two quarter sections in exchange for the north half of Section seventeen (17), Township fourteen (14), Range seven (7), west of the Fourth Meridian previously selected by them as part of the aforesaid 380,573 acres.

The lands which the Southern Alberta Land Company, Limited, desire to acquire are vacant and available for disposition and do not exceed in value the lands which they desire to relinquish.

The Minister, therefore, recommends that the Southern Alberta Land Company, Limited, be permitted to select the northeast quarter of Section twenty-two (22), Township fifteen (15), Range seven (7), west of the Fourth Meridian and the northeast quarter of Section thirty-four (34), Township fourteen (14), Range eight (8), west of the Fourth Meridian as part of the area to be purchased by them under the aforesaid agreement and to relinquish the north half of Section seventeen (17), Township fourteen (14), Range seven (7), west of the Fourth Meridian, and that the last mentioned half section be made available for other disposition.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of December, 1915.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1915, from the Minister of the Interior, submitting that the Grand Trunk Pacific Railway and Development Company, Limited, now the Grand Trunk Pacific Development Company, Limited, with a view to acquiring the southeast quarter of section 16 in Township 45, Range 7, west of the Fourth Meridian for townsite purposes paid the entrant thereof sixteen hundred dollars to execute a quit claim deed of the quarter-section in favour of the Company. After filing this quit claim deed in the Department of the Interior the Company found that it could not use this land for townsite purposes and the Department, therefore, decided that the Company should not be allowed to acquire the land.

The Minister states that, as the entrant refused to refund the money paid to him by the company, the Department of the Interior agreed to allow the company to acquire this land in exchange for the southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian which had been transferred to the company for townsite purposes. The company thereupon revested the latter parcel in the Dominion.

The Minister further states that the said southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian along with other lands had been transferred to the Grand Trunk Pacific Town and Development Company for townsite purposes under authority of an Order in Council of the 2nd January, 1908, which authorized the Minister of the Interior to convey the lands to the Company and to enter into an agreement with respect thereto whereby one-fourth of the net proceeds realized from the sales, rentals or other dispositions of the lands should be paid to the Government.

The Minister, therefore, recommends that he be authorized to convey the southeast quarter of Section 16, Township 45, Range 7, west of the Fourth Meridian to the Grand Trunk Pacific Development Company, Limited, in exchange for the said southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian and to enter into an agreement, in the form of the draft agreement hereto annexed, with the Grand Trunk Pacific Railway Company and the Grand Trunk Pacific Development Company, Limited, whereby one-fourth of the net proceeds realized from the disposal of the said southeast quarter of Section 16, Township 45, Range 7, west of the Fourth Meridian or of any portion thereof shall be paid to the Government.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 16th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report dated 25th November, 1915, from the Minister of the Interior, stating that Mr. John Thomas Moore, of the City of Toronto, in the Province of Ontario, is the lessee, under Coal Mining Lease No. 372 dated the 9th February, 1911, of the coal mining rights under certain Dominion lands, namely Legal Subdivisions 2, 3, 6 and 7 of section 33 and Legal Subdivisions 14, 15 and 16 of section 28, lying west of the Saskatchewan river in Township 39, Range 7, west of the 5th Meridian, in the Province of Alberta, the said lease being for the term of twenty-one years computed from the 28th day of October, 1910 :

The Minister further states that Mr. Mocre, as the holder of the said Coal Mining Lease No. 372, has complained that irresponsible persons are in the habit of taking coal without authority from the foreshore lands of the said Saskatchewan river adjoining the lands held by him and thereby exposing his mine to the risk of being flooded ; and, for the purpose of protecting the said mining property, has applied for a license of occupation of the said foreshore lands, the same being more particularly described as follows :—

That portion of Legal Subdivision 15 of Section 28 and those portions of Legal Subdivisions 2 and 7 of Section 33, Township 39, Range 7, west of the 5th Meridian which lie between the high and the low water marks of the said river and which are not included in the said Coal Mining Lease No. 372,—

The Minister recommends, in view of the above circumstances, that he be authorized to issue a license of occupation for the said foreshore lands to the said John Thomas Moore the consideration being the nominal sum of one dollar payable on or before the execution of the license, the said license to be appurtenant to and to run concurrently with the said coal mining lease or any renewal thereof and to determine when the said lease determines, but to be subject nevertheless to the proviso that no exclusive right of entry, occupancy or use shall be granted by the said license but only such rights of entry, use or occupation as may in the opinion of the Minister, be required from time to time for the purposes aforesaid and subject also to the further proviso that the said license shall be cancellable at the will of the Minister.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

The Committee concur in the foregoing recommendation and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 6th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS by Orders in Council, dated 17th October, 1914, and 19th June, 1915, with respect to Dominion lands within the Railway Belt of British Columbia provision was made for reckoning as residence spent on a homestead the time of an entrant on active military service who enrolled as a member of a military force of Canada or Great Britain or of the Allies of Great Britain in the present war; also, for the issue of patent to such homesteader if disabled or to his legal representatives in the event of death;

And whereas those provisions apply only to those persons who made entry for Dominion land in the Railway Belt prior to enlistment, or in the case of reservists prior to the date of their recall for active military service, and that consequently any person who made entry for Dominion land after enlistment or

after the date of his recall as aforesaid would come under the provisions of section 21 of the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-Mile Railway Belt in the Province of British Columbia, which sets forth that any entry which is not perfected within twelve months from the date thereof shall be cancelled;

And whereas it is considered that, while it might not be in the public interest to extend the benefit of the said Orders in Council of 17th October, 1914, and 19th June, 1915, to settlers making entry after enlistment or after the date of their recall to the colours, it would not be advisable to allow the entries of such settlers to be cancelled during their absence on active military service,—

Therefore His Royal Highness the Governor General in Council is pleased to authorize and doth hereby authorize the Minister of the Interior to protect the entry within the said Railway Belt of any person who, being a member of any body or force serving as aforesaid with the forces of Great Britain or of any of her allies during the present European war, and who secured such entry after enlistment, or after the date of his recall for active service, such protection to hold good during the continuance of such service and for a period not exceeding three months after his discharge from the military force with which he has been serving.

#### CIVIL SERVICE COMMISSION.

Public notice is hereby given that a general examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Wednesday, the 10th May, 1916, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault St. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, Moncton, St. John, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to be examined at any one place.

It is to be understood that under present conditions, the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor on the other hand does it require graduate cadets to adopt a Naval career. Arrangements have, however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the College, provided these cadets have attained the required standard of efficiency. They will be entered in the Royal Navy as Cadets of the same standing as graduates of Dartmouth Naval College. Arrangements have also been completed with the Universities of McGill and Toronto, by which they will admit graduates of the Royal Naval College to the second year of the course of applied science in the above-mentioned Universities. Other Universities will doubtless be pleased to extend the same privilege.

The attention of the public is also invited to the general competitive examinations for positions in the Inside Service which will be held beginning on the 8th May, 1916. Successful competitors at these examinations are guaranteed permanent positions as clerks, stenographers and typewriters. An examination for positions in the lower grades of the Inside Service, and the regular Preliminary and Qualifying Examinations for the Outside Service will also be held at the same time and places.

Full information respecting any of the above examinations, together with the necessary application forms, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms, duly filled in and accompanied by the prescribed examination fee, must be filed with the Civil Service Commission not later than the 15th April, 1916. No exception can or will be made to this rule.

By order of the Commission.

WM. FORAN,  
Secretary.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

### SALLE DU SÉNAT.

OTTAWA, jeudi, 13 janvier 1916.

Aujourd'hui, à TROIS heures p.m., SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL s'est rendu, avec le cérémonial ordinaire, à la Salle du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat étant assemblés, il a plu à Son Altesse Royale d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, SON ALTESSE ROYALE a ouvert la SIXIÈME SESSION du DOUZIÈME PARLEMENT DU DOMINION DU CANADA, par le discours suivant :—

*Honorables Messieurs du Sénat :*

*Messieurs de la Chambre des Communes :*

Depuis la dernière fois que je vous ai adressé la parole, la guerre dans laquelle nous sommes engagés a été continuée sans relâche avec vigueur et avec une fortune variée.

Le rôle de l'Empire a été amplement rempli sur mer par les exploits inspirateurs de la marine, et sur terre par la valeur éminente des grandes armées qui se sont enrôlées volontairement dans toutes les parties des domaines de Sa Majesté pour la défense commune de nos libertés.

Avec un esprit de loyauté superbe et de dévouement inlassable, l'Inde et les domaines d'outre-mer ont rivalisé les uns avec les autres en coopérant avec la mère patrie pour accomplir ce grand dessein.

L'appel aux armes a évoqué une réponse générale et marquante au Canada. Déjà 120,000 hommes ont traversé les mers ; un nombre égal s'entraînent activement à l'heure qu'il est, pour se préparer à servir au delà des mers ; et un appel étendant l'enrôlement autorisé à un demi-million d'hommes a été reçu avec grand enthousiasme.

Sur le front, nos vaillants soldats ont fait face à l'ennemi dans maints combats, et, grâce à leur courage éminent et à leur endurance héroïque, ont répandu un grand lustre sur leur pays et maintenu ses plus belles traditions de bravoure.

L'esprit de sacrifice et la loyauté déployés par tout le peuple du Canada sont dignes des mêmes louanges et aussi impressionnants, car il a consacré ses forces et sa vitalité à la défense commune de l'Empire.

L'existence du Parlement actuel doit prendre fin à l'automne de cette année ; et, d'après la loi existante, une dissolution du Parlement et une élection seraient prochainement nécessaires. Mes conseillers, cependant, sont d'avis que l'on répondrait mieux au désir du peuple canadien et aux nécessités présentes de la guerre en évitant le trouble et la confusion, résultant d'une élection générale à un moment aussi critique.

On ne peut arriver à cette fin que par le moyen d'une législation du Parlement du Royaume-Uni. Il vous sera présenté une résolution autorisant et demandant l'adoption d'une telle législation qui prolongerait la vie de ce Parlement d'une année.

Il vous sera présenté des mesures à l'effet de promouvoir la coopération du Canada à la défense de l'Empire et à la continuation de cette guerre engagée pour la liberté et une paix durable.

Nous sommes tenus de rendre grâce à la Providence qui a récompensé les labeurs de nos cultivateurs, durant l'année passée, en leur donnant la plus abondante récolte connue dans l'histoire du Canada.

*Messieurs de la Chambre des Communes :*

Les comptes pour l'année passée et les estimations budgétaires pour la prochaine année fiscale, vous seront soumis sans délai, et l'on vous demandera de pourvoir aux nécessités financières pour la conduite efficace de la guerre.

*Honorables Messieurs du Sénat :*

*Messieurs de la Chambre des Communes :*

Le grand courage, le splendide héroïsme et la détermination inébranlable qui ont marqué les efforts conjoints de toutes les parties des domaines de Sa Majesté durant une année d'effort et de sacrifices sans précédent, justifient notre confiance suprême dans le triomphe de notre cause et l'affirmation durable des principes de liberté et de justice dans le monde. Je recommande à votre sérieuse considération les mesures qui vous seront soumises pour aider à la réalisation de ce grand dessein, et j'implore la Providence d'inspirer vos travaux.

## ARRÊTES EN CONSEIL.

[3056]

HOTEL DU GOUVERNEMENT À OTTAWA.

Jeudi, le 6e jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que des arrêtés en conseil datés le 17 octobre 1914 et le 19 juin 1915, concernant les terres fédérales dans la zone des chemins de fer de la Colombie-Britannique, stipulant que le temps durant lequel un inscrit est engagé en service militaire actif, lorsqu'il s'est enrôlé dans un corps militaire du Canada, de la Grande-Bretagne ou des alliés de la Grande-Bretagne dans la présente guerre, peut être compté comme période de résidence sur son homestead, et que de plus la patente de son terrain peut être délivrée à ce colon s'il est devenu invalide, ou à ses représentants légaux en cas de mort ;

Et attendu que ces dispositions ne s'appliquent qu'aux personnes qui se sont inscrites pour des terres fédérales dans la zone des chemins de fer avant leur enrôlement, ou, dans le cas de réservistes, antérieurement à la date de leur rappel au service militaire actif, et que conséquemment toute personne qui s'est inscrite après son enrôlement ou après la date de son rappel au service actif tombe sous le coup des dispositions de l'article 21 des règlements régissant l'arpentage, l'administration, la concession et la vente des terres fédérales dans la zone de quarante milles de la province de la Colombie-Britannique, lesquels règlements prescrivent que toute inscription qui n'est pas parfaite dans les douze mois de cette date sera annulée ;

Et attendu qu'il est considéré que bien qu'il puisse ne pas être de l'intérêt public d'appliquer les dispositions des dits arrêtés en conseil du 17 octobre 1914 et du 19 juin 1915 aux colons qui se sont inscrits après leur enrôlement ou après la date de leur rappel sous les armes, il ne serait pas opportun de permettre que les inscriptions de ces colons soient annulées durant leur absence en service militaire actif,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes le Ministre de l'Intérieur à protéger l'inscription dans les limites de la dite zone des chemins de fer de toute personne qui, étant membre d'un corps militaire servant comme susdit avec les forces de la Grande-Bretagne ou d'un de ses alliés durant la présente guerre Européenne, et qui a obtenu son inscription après son enrôlement, ou après la date de son rappel au service actif, cette protection devant se continuer tant que durera ce service et pour une période n'excédant pas trois mois après que cette personne a été congédiée du corps militaire dans lequel elle servait.

RODOLPHE BOUDREAU,

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté du 25 novembre 1915, représentant que M. John Thomas Moore, de la cité de Toronto, province d'Ontario, a obtenu la concession, sous bail minier n° 372 pour l'extraction de la houille, le 9 février 1911, de droits miniers dans certaines terres fédérales, savoir : subdivisions légales 2, 3, 6 et 7 de la section 33 et les subdivisions légales 14, 15 et 16 de la section 28, situées à l'ouest de la rivière Saskatchewan, dans le township 39, rang 7, à l'ouest du 5e méridien, dans la province d'Alberta. Ce bail couvre une période de 21 ans à partir du 28 octobre 1910.

Le Ministre ajoute que M. Moore, concessionnaire susdit du dit bail minier n° 372, s'est plaint de ce que certaines personnes ont l'habitude d'extraire, sans y être autorisées, de la houille du rivage de la dite rivière Saskatchewan près de ses propres claims houillers, qui se trouvent ainsi exposés à être inondés ; et afin de protéger ses dits claims houillers M. Moore a demandé une licence d'occupation du dit rivage de la rivière Saskatchewan, qui peut être décrit plus minutieusement comme suit :

Toute cette partie de la subdivision légale 15 de la section 28 et les parties des subdivisions légales 2 et 7 de la section 33, township 39, rang 7, à l'ouest du 5e méridien, et comprise entre le point des eaux hautes et celui des eaux basses de la dite rivière et qui ne sont pas compris dans le dit bail minier n° 372.

Vu ces circonstances, le ministre recommande qu'on l'autorise à donner une licence d'occupation du dit terrain de grève à M. Moore moyennant le prix nominal d'un dollar payable à l'émission de la dite licence, laquelle fera partie du dit bail minier ou de tout renouvellement de ce bail et se terminera en même temps que le dit bail ; toutefois le bail est sujet à la condition qu'aucun droit exclusif d'entrée, d'occupation ou d'exploitation ne sera accordé par la dite licence, mais les seuls droits d'entrée, d'exploitation ou d'occupation qui, de l'avis du Ministre, pourront être nécessaires de temps à autres pour les fins susdites, et sujet aussi à cette autre condition que la dite licence peut être annulée au gré du Ministre.

Le comité agréé cette recommandation et la soumet pour approbation.

I L plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes l'émission de permis de pâturage sur les terres vacantes de la province de Manitoba, dénommées auparavant terres marécageuses, mais dont le titre est maintenant attribué à la Couronne, aux conditions suivantes :

(1) La superficie maximum concédée à une seule personne ou compagnie n'excèdera pas une section.

(2) Les permis ne seront émis que pour les terres qui, après inspection par un fonctionnaire du Département de l'Intérieur, auront été trouvées impropres à l'agriculture, ou les terres à foin concédées sous l'empire des terres fédérales.

(3) Le loyer sera de 2 cents l'acre par année, payable d'avance chaque semestre.

(4) Toutes les demandes doivent être faites à l'agent des terres fédérales pour le district dans lequel le terrain est situé et doivent être accompagnées du loyer du premier semestre.

(5) Au reçu de la demande l'agent réservera les terrains disponibles demandés en attendant la décision du département quant à la concession du permis.

(6) Avant que le permis soit accordé le requérant devra afficher des avis de sa demande dans au moins quatre endroits différents bien en vue sur les terres demandées, et aussi dans le bureau de poste le plus rapproché, pendant 30 jours, et souscrire à une déclaration statutaire de ce fait.

(7) Dans les six mois de la date du permis le concessionnaire devra placer sur le terrain qui lui est concédé non moins qu'une tête de bétail ou un cheval d'au delà d'un an, ou cinq moutons, qui lui appartiennent en propre, pour chaque trente acres de terrain.

(8) Le concessionnaire gardera sur le terrain concédé le nombre requis d'animaux, et le premier juillet de chaque année il devra présenter une déclaration statutaire indiquant le nombre d'animaux qu'il a sur le terrain à cette date.

(9) Le permis expire le 31e jour de décembre qui suit la date de son émission.

(10) La concession d'un permis ne donne pas au concessionnaire le droit au renouvellement, mais le Ministre peut, à sa discrétion, renouveler les permis d'année en année, et dans ce cas le concessionnaire a le premier droit au renouvellement ; mais la demande de renouvellement doit être faite au département le plus tard le premier décembre précédant l'expiration du permis et doit être accompagnée du loyer pour le premier semestre de l'année suivante.

(11) Aucuns bâtiments ne seront érigés sur le terrain compris dans le permis, sauf ceux qui peuvent être nécessaires pour abriter le bétail.

(12) Si le concessionnaire n'obtient pas un renouvellement à l'expiration du permis, il aura le droit d'enlever dans un délai raisonnable tout bâtiment temporaire ou clôture qu'il pourra avoir érigés sur le terrain qu'il détenait.

(13) Le concessionnaire a droit au foin produit sur le terrain compris dans son permis, comme fourrage pour son bétail, mais il ne lui est pas permis de le vendre ou de l'échanger.

(14) Si le concessionnaire désire mettre des moutons en pâturage, ils doivent être enclos par une clôture qu'ils ne peuvent franchir.

(15) Le permis ne peut se transférer.

(16) Le permis est sujet à annulation sommaire dès que le concessionnaire néglige d'observer une condition quelconque des présents règlements, et aussi pour toute fausse représentation de sa part au sujet d'un fait important.

Samedi, le 11e jour de décembre 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 7 décembre 1915, représentant que MM. T. S. Hall et Charles Damaske, de New-Westminster, ont demandé au Département de l'Intérieur le bail de la partie des sections 5, 6, 7 et 8, dans le township 3, rang 28, à l'ouest du 6e méridien, comprenant le lit submergé du lac Cheam, dans la zone des chemins de fer de la province de la Colombie-Britannique, dans le but d'en extraire un dépôt de chaux désintégrée pour servir comme engrais.

Le ministre représente que le sous-ministre du Département de l'Agriculture de la province de la Colombie-Britannique, dans une communication datée le 27 février 1912, déclare qu'il souscrit entièrement aux représentations qui ont été faites qu'il existait un grand besoin de chaux pulvérisée à des prix raisonnables pour les fins agricoles et que la chaux ne pouvait être utilisée sous une meilleure forme.

Le ministre ajoute qu'il appert que les autorités provinciales ont fait une concession d'une charge d'eau de 300 pouces du lac Sheam pour usages domestiques et pour l'énergie hydraulique, et que des inscriptions ont été accordées pour deux claims miniers comprenant une partie du lit de ce lac.

En vue de la demande qui semble exister pour la chaux devant être utilisée pour les fins agricoles, le ministre recommande qu'il soit autorisé à permettre à MM. T. S. Hall et Charles Damaske d'extraire au moyen de dragues ou de pompes ce dépôt de chaux désintégrée du lit du lac, aux conditions suivantes :

(1) Le terme du bail sera de cinq ans et le loyer de 25 cents l'acre par année payable d'avance.

(2) Le bail est sujet à tout droit quelconque concédé sur les eaux du lac ou les minéraux qui y gisent.

3. Le concessionnaire doit installer, dans le délai d'un an de la date du bail, l'outillage nécessaire pour pomper ou draguer ce dépôt de chaux, cet outillage devant être d'une valeur d'au moins \$2,500 et le concessionnaire devant fournir la preuve satisfaisante que l'installation en a été faite dans le délai spécifié.

4. Pendant chaque année de la durée du bail le concessionnaire devra exercer les droits qui lui sont concédés avec toute diligence raisonnable et chaque année extraire et préparer pour l'expédition non moins que 1,000 tonnes du dépôt ci-dessus mentionné et fournir la preuve satisfaisante de telle production.

5. Le concessionnaire ne devra détourner ou retirer aucune quantité des eaux du lac, ses droits se limitant à l'extraction par le procédé susdit du dépôt de chaux qu'il est représenté y avoir dans le lac.

6. La négligence de se conformer à une condition quelconque du bail le rendra sujet à annulation immédiate à la discrétion du ministre de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |

| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00    |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. Une compagnie de télégraphe ou de téléphone :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mot de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce, faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

#### SENAT.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration, le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

## SENAT

*Avis de bills privés.*

### EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire greffier du comité un reçu constatant le versement de ces sommes.

### CENSUS AND STATISTICS OFFICE

OTTAWA, December 15, 1915.

This Office has been directed by Order-in-Council dated the eighth day of December, 1915, to take a Postal Census of the Manufactures of the Dominion, for the year 1915. The name of your establishment appears on the records of the Office as engaged in manufacturing. You are requested, therefore, to fill out the schedule on pages 3 and 4 herewith, and return not later than January 21, 1916, the information to cover the year ended December 31, 1915, or the last financial year of your establishment.

The schedule will be treated as absolutely confidential by clerks sworn to secrecy, and will be used only in tabulations which will not reveal individual business; where less than three industries of a kind are given for a district, province, or the Dominion, the statistics will be presented only in a general class. To insure secrecy this front leaf will be detached before tabulation so that compiling clerks may not know whose schedules are passing through their hands. The facts supplied by you will not be used as a basis of any system of taxation or other liability, and will not be disclosed to any municipal or provincial authority, or to any other Department of the Dominion Government.

The schedule must be certified (see form below) and the post office address of the general office given in order that this Office may communicate with you readily.

Your reply should be forwarded by registered mail. **Please use enclosed envelope which is postage free.**

The provisions of the Census and Statistics Act (R. S. C., Chapter 68), defining the obligations of owners, managers and other responsible persons with regard to the sending in of this schedule will be found on page 2.

A duplicate of the schedule (pages 3 and 4) is enclosed herewith in order that you may retain a copy of the information you furnish. It is suggested that this copy be kept on your permanent files for possible use in connection with subsequent requests for information.

**Statistics of manufactures to be of the greatest value should be published at the earliest possible moment after the collection of the data. You are requested in the special interests of the industrial and commercial community, to co-operate with this Office by sending in this schedule completely and correctly filled out, immediately or as soon as possible after receiving this communication.**

## BUREAU DES RECENSEMENTS ET STATISTIQUES

OTTAWA, 15 décembre 1915

Ce Bureau a été chargé par un Arrêté du Conseil en date du huitième jour de décembre, 1915, de prendre un recensement postal des manufactures du Canada pour l'année 1915. Le nom de votre établissement se trouve sur les listes de ce Bureau ayant rapport aux manufactures. En conséquence vous voudrez bien remplir les pages 3 et 4 de la présente formule et nous la renvoyer pas plus tard que le 21 janvier 1916 ; les renseignements doivent couvrir l'année se terminant le 31 décembre 1915, ou la dernière année financière de votre établissement.

La formule remplie sera considérée comme absolument confidentielle par les employés de ce Bureau qui sont tous tenus sous serment de garder le secret, et les chiffres seuls en seront donnés dans les tableaux collectifs de manière à ce que rien des affaires individuelles ne soit révélé ; là où moins de trois établissements d'une même espèce sont donnés pour un district, une province ou tout le Canada, les chiffres en seront présentés dans une classe générale seulement. Et afin d'assurer le secret complet, cette première feuille du tableau sera détachée avant d'en faire la compilation, et les compilateurs ne verront que les chiffres sans savoir d'où viennent les tableaux. Les renseignements fournis par vous ne seront pas employés comme base d'aucun système de taxes ou d'autres obligations, et ne seront dévoilés à aucune autorité, soit municipale, provinciale ou fédérale.

Le tableau devra être certifié (voir formule au bas de la page) et l'adresse postale du bureau général devra être donnée afin de permettre à ce Bureau de communiquer avec vous.

Votre réponse devrait être transmise par lettre enregistrée. Veuillez vous servir de l'enveloppe ci-jointe qui vous dispense des frais de poste.

Les dispositions de l'acte des recensements et statistiques (S.R.C. Chapitre 68) définissant les obligations des propriétaires, gérants ou autres personnes responsables concernant l'envoi de la présente formule, se trouvent sur la page 2.

Un double de la formule (pages 3 et 4) vous est inclus afin que vous puissiez conserver une copie des renseignements que vous aurez fournis. Il serait bon même de garder cette copie sur vos liasses dans le cas où vous auriez à vous en servir en vue d'autres demandes de renseignements.

Pour être d'une plus grande valeur les statistiques des manufactures devraient être publiées aussitôt que les données en sont recueillies. Vous êtes donc requis, dans l'intérêt de la classe industrielle comme dans celui de la classe commerciale, de seconder les efforts de ce Bureau en renvoyant cette formule, complètement et correctement remplie, immédiatement ou le plus tôt possible après réception de cette communication.

*Robert H. Coats.*

Statisticien du Dominion et Contrôleur du recensement.

49. Le fait qu'un recenseur a laissé dans une maison ou dans un logement un bulletin paraissant émis sous l'autorité de la présente loi et contenant un avis requérant qu'il soit rempli et signé dans un délai déterminé par l'occupant de cette maison ou de ce logement, ou en son absence par quelque autre membre de la famille, constitue, vis-à-vis de l'occupant, une suffisante injonc-

tion de remplir et de signer le bulletin, bien que l'occupant ne soit pas dénommé dans l'avis, ou qu'il n'ait pas reçu la signification en personne.

50. Le fait qu'un recenseur ou un agent a laissé au bureau ou autre lieu d'affaires d'une personne ou d'une raison sociale ou d'une corporation ou corps public, ou qu'il a été délivré par voie de lettre enregistrée à une personne, à une raison sociale ou corporation ou corps public ou à son agent, un bulletin de ce genre, contenant un avis, requérant qu'il soit, dans un certain délai déterminé, rempli et signé, constitue vis-à-vis de cette personne, de cette raison sociale ou des membres qui en font partie et de chacun d'eux, ou vis-à-vis de la corporation ou corps public, une injonction suffisante de remplir et de signer le tableau, et, si l'avis le requiert, d'expédier le bulletin par la poste dans un délai déterminé au bureau du recensement et des statistiques.

#### *Perception des amendes.*

51. Les amendes ci-dessus établies peuvent se recouvrer d'une manière sommaire à la poursuite de tout fonctionnaire, commissaire de recensement, recenseur, ou de toute autre personne employée à la mise à exécution de la présente loi, devant un juge de paix muni de juridiction dans l'endroit où la contravention a été commise, et peuvent être imposées et recouvrées aussi souvent qu'une contravention est commise, jusqu'à ce que les prescriptions de la présente loi aient été pleinement mises à exécution à la satisfaction du ministre.

(2) Moitié de cette amende appartient à la Couronne et est attribuée aux besoins publics du Canada, et l'autre moitié au poursuivant, à moins qu'il n'ait été examiné comme témoin pour établir la contravention, auquel cas le tout appartient à la Couronne pour les fins susdites.

[3015]  
AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of December, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1915, from the Minister of the Interior, stating that, pursuant to the authority of an Order in Council dated the 26th day of June, 1906, an agreement was executed for the sale to the Robins Irrigation Company of 380,573 acres of land, comprising the estimated vacant and available area within a tract described in the said agreement.

That on the 26th day of December, 1906, the Authority of Council was given for the transfer of the right and interest of the Robins Irrigation Company in the aforesaid agreement to The Southern Alberta Land Company, Limited, and such transfer was duly made.

That in the first selection of lands made by The Southern Alberta Land Company, Limited, under the aforesaid agreement, there was included the northeast quarter of Section Twenty-two (22), Township fifteen (15), Range seven (7), west of the Fourth Meridian and the northeast quarter of Section thirty-four (34), Township fourteen (14), Range eight (8), west of the Fourth Meridian. Both of these quarter sections were then held under homestead entry and, therefore, the company's selection was not confirmed. These lands were never occupied by the entrants and the entries have since been cancelled.

The Southern Alberta Land Company, Limited, have reported that the Canadian Wheatlands, Limited, who are under contract to purchase certain of their lands, acting under the erroneous assumption that these two quarter sections had been purchased by The Southern Alberta Land Company—had cultivated and cropped portions thereof. This information has been verified by an inspection made by the Superintendent of Irrigation ; also by a homestead inspector's report, which shows that all of both quarter sections had been broken and cultivated.

Portions of both these quarter sections are irrigable from the works now under construction and in order to protect the improvements made thereon by the Canadian Wheatlands, Limited, the Southern Alberta Land Company, Limited, have requested permission to acquire these two quarter sections in exchange for the north half of Section seventeen (17), Township fourteen (14), Range seven (7), west of the Fourth Meridian previously selected by them as part of the aforesaid 380,573 acres.

The lands which the Southern Alberta Land Company, Limited, desire to acquire are vacant and available for disposition and do not exceed in value the lands which they desire to relinquish.

The Minister, therefore, recommends that the Southern Alberta Land Company, Limited, be permitted to select the northeast quarter of Section twenty-two (22), Township fifteen (15), Range seven (7), west of the Fourth Meridian and the northeast quarter of Section thirty-four (34), Township fourteen (14), Range eight (8), west of the Fourth Meridian as part of the area to be purchased by them under the aforesaid agreement and to relinquish the north half of Section seventeen (17), Township fourteen (14), Range seven (7), west of the Fourth Meridian, and that the last mentioned half section be made available for other disposition.

The Committee concur in the foregoing recommendation and submit the same for approval.

27-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

[3019]  
AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of December, 1915.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1915, from the Minister of the Interior, submitting that the Grand Trunk Pacific Railway and Development Company, Limited, now the Grand Trunk Pacific Development Company, Limited, with a view to acquiring the southeast quarter of section 16 in Township 45, Range 7, west of the Fourth Meridian for townsite purposes paid the entrant thereof sixteen hundred dollars to execute a quit claim deed of the quarter-section in favour of the Company. After filing this quit claim deed in the Department of the Interior the Company found that it could not use this land for townsite purposes and the Department, therefore, decided that the Company should not be allowed to acquire the land.

The Minister states that, as the entrant refused to refund the money paid to him by the company, the Department of the Interior agreed to allow the company to acquire this land in exchange for the southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian which had been transferred to the company for townsite purposes. The company thereupon revested the latter parcel in the Dominion.

The Minister further states that the said southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian along with other lands had been transferred to the Grand Trunk Pacific Town and Development Company for townsite purposes under authority of an Order in Council of the 2nd January, 1908, which authorized the Minister of the Interior to convey the lands to the Company and to enter into an agreement with respect thereto whereby one-fourth of the net proceeds realized from the sales, rentals or other dispositions of the lands should be paid to the Government.

The Minister, therefore, recommends that he be authorized to convey the southeast quarter of Section 16, Township 45, Range 7, west of the Fourth Meridian to the Grand Trunk Pacific Development Company, Limited, in exchange for the said southwest quarter of Section 17, Township 43, Range 27, west of the Third Meridian and to enter into an agreement, in the form of the draft agreement hereto annexed, with the Grand Trunk Pacific Railway Company and the Grand Trunk Pacific Development Company, Limited, whereby one-fourth of the net proceeds realized from the disposal of the said southeast quarter of Section 16, Township 45, Range 7, west of the Fourth Meridian or of any portion thereof shall be paid to the Government.

The Committee concur in the foregoing recommendation and submit the same for approval.

27-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 6th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS by Orders in Council, dated 17th October, 1914, and 19th June, 1915, with respect to Dominion lands within the Railway Belt of British Columbia provision was made for reckoning as residence spent on a homestead the time of an entrant on active military service who enrolled as a member of a military force of Canada or Great Britain or of the Allies of Great Britain in the present war; also, for the issue of patent to such homesteader if disabled or to his legal representatives in the event of death;

And whereas those provisions apply only to those persons who made entry for Dominion land in the Railway Belt prior to enlistment, or in the case of reservists prior to the date of their recall for active military service, and that consequently any person who made entry for Dominion land after enlistment or after the date of his recall as aforesaid would come under the provisions of section 21 of the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-Mile Railway Belt in the Province of British Columbia, which sets forth that any entry which is not perfected within twelve months from the date thereof shall be cancelled;

And whereas it is considered that, while it might not be in the public interest to extend the benefit of the said Orders in Council of 17th October, 1914, and 19th June, 1915, to settlers making entry after enlistment or after the date of their recall to the colours, it would not be advisable to allow the entries of such settlers to be cancelled during their absence on active military service,—

Therefore His Royal Highness the Governor General in Council is pleased to authorize and doth hereby authorize the Minister of the Interior to protect the entry within the said Railway Belt of any person who, being a member of any body or force serving as aforesaid with the forces of Great Britain or of any of her allies during the present European war, and who secured such entry after enlistment, or after the date of his recall for active service, such protection to hold good during the continuance of such service and for a period not exceeding three months after his discharge from the military force with which he has been serving.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

Thursday, the 6th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 30th December, 1915, from the Minister of the Interior, submitting that Mr. Raoul P. Precourt was granted homestead entry for the south-east quarter of section 21, Township 26, Range 12, west of the Principal Meridian, on the 23rd May, 1911;

That Mr. Precourt has practically performed two terms of residence, has fulfilled the cultivation conditions and his other improvements consist of a house, stable, granary, fencing and blacksmith shop;

The Minister also submits a copy of a medical certificate from H. M. Murdoff, M.D., stating that Mr. Precourt is unfit to complete his residence duties,—

The Minister therefore recommends that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mr. Precourt's homestead, the south-east quarter of Section 21, Township 26, Range 12, west of the Principal Meridian, under the authority of subsection 2 of section 20, of the Act so that free

patent may be issued to Mr. Precourt for his homestead, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th December, 1915, from the Minister of the Interior, stating that Mr. Cecil John Watkins obtained homestead entry for the north-west quarter of Section 14, Township 36, Range 10, west of the 2nd Meridian, on the 15th of November, 1911;

The Minister observes that information has been received that the homesteader performed the following residence duties:

From 15th December, 1911, to 10th April, 1913.

Improvements :

House.....	\$45 00
Well.....	15 00

That it has been represented to the Department of the Interior that Mr. Watkins is suffering from pulmonary tuberculosis and that he is now confined to bed with no prospects of his ever being able to leave England again,—

The Minister submits the annexed copy of a medical certificate, and recommends, in view of the statements contained therein, that further residence be dispensed with in accordance with the provisions of subsection 2, chapter 20, 7-8 Edward VII, so that free patent may be issued to Mr. Watkins upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS by Order in Council dated 26th August, 1908, certain regulations were adopted for granting homestead entry on Dominion Lands by proxy ;

And whereas such regulations provided that the homesteader on whose behalf such proxy entry is made, must appear personally before the Agent of Dominion Lands within six months from the date of entry and furnish a satisfactory declaration that he is already in residence or will be in residence before the six months expire. Should he fail to appear, the agent is required to cancel the entry without notice at the expiration of six months from date of entry,—

Therefore His Royal Highness the Governor General in Council is pleasee to order that the regulations with regard to proxy homestead entries, established by the said Order in Council of the 26th August, 1908, shall be and the same are hereby amended as follows :—

Notwithstanding anything contained in the Order in Council of the 26th August, 1908, if any person who is a member of any body or force serving with the forces of Great Britain or of any of her allies during the present European War, secures entry for a homestead on Dominion Lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing, and be dealt with in the same way as if it had been made in person instead of by proxy; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Order in Council of the 8th May, 20th September and 9th December, 1915, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim upon any entrant who, being engaged on active military service as aforesaid, has failed to notify the Agent of Dominion Lands for the District in which the land is situated of the fact of his being so engaged, in ample time to enable the Agent to note the fact in his records so as to prevent the cancellation of the proxy entry for non-appearance at the end of six months from the date thereof.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance, in accordance with the provisions of the Order in Council of the 26th August, 1908.

In any case where cancellation has already been carried out in pursuance of the provisions of the Order in Council last mentioned, the Minister of the Interior may restore such entry provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.

#### CIVIL SERVICE COMMISSION.

PUBLIC Notice is hereby given that a general examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Wednesday, the 10th May, 1916, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault St. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, Moncton, St. John, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to be examined at any one place.

It is to be understood that under present conditions, the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor on the other hand does it require graduate cadets to adopt a Naval career. Arrangements have, however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the College, provided these cadets have attained the required standard of efficiency. They will be entered in the Royal Navy as Cadets of the same standing as graduates of Dartmouth Naval College. Arrangements have also been completed with the Universities of McGill and Toronto, by which they will admit

graduates of the Royal Naval College to the second year of the course of applied science in the above-mentioned Universities. Other Universities will doubtless be pleased to extend the same privilege.

The attention of the public is also invited to the general competitive examinations for positions in the Inside Service which will be held beginning on the 8th May, 1916. Successful competitors at these examinations are guaranteed permanent positions as clerks, stenographers and typewriters. An examination for positions in the lower grades of the Inside Service, and the regular Preliminary and Qualifying Examinations for the Outside Service will also be held at the same time and places.

Full information respecting any of the above examinations, together with the necessary application forms, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms, duly filled in and accompanied by the prescribed examination fee, must be filed with the Civil Service Commission not later than the 15th April, 1916. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,  
Secretary.

Ottawa, 12th January, 1916.
